# The Speaker

1966-67
Volume 44
Bowling Green High School
Bowling Green, Missouri

Named for Champ Clark, Native of Bowling Green, Speaker of 62nd U.S. Congress

# Welcome to the Wonderful

Like persons, no two years can ever be exactly the same. Each school term brings newness: faces, ideas, activities.

This Speaker concentrates on, and opens with, a number of "firsts" unique to the 66-67 term.

The "firsts" reached everyone. Expanding school services; increasing student participation; founding an American Field Service program; and polishing facets of school life were 1967 pacesetters.

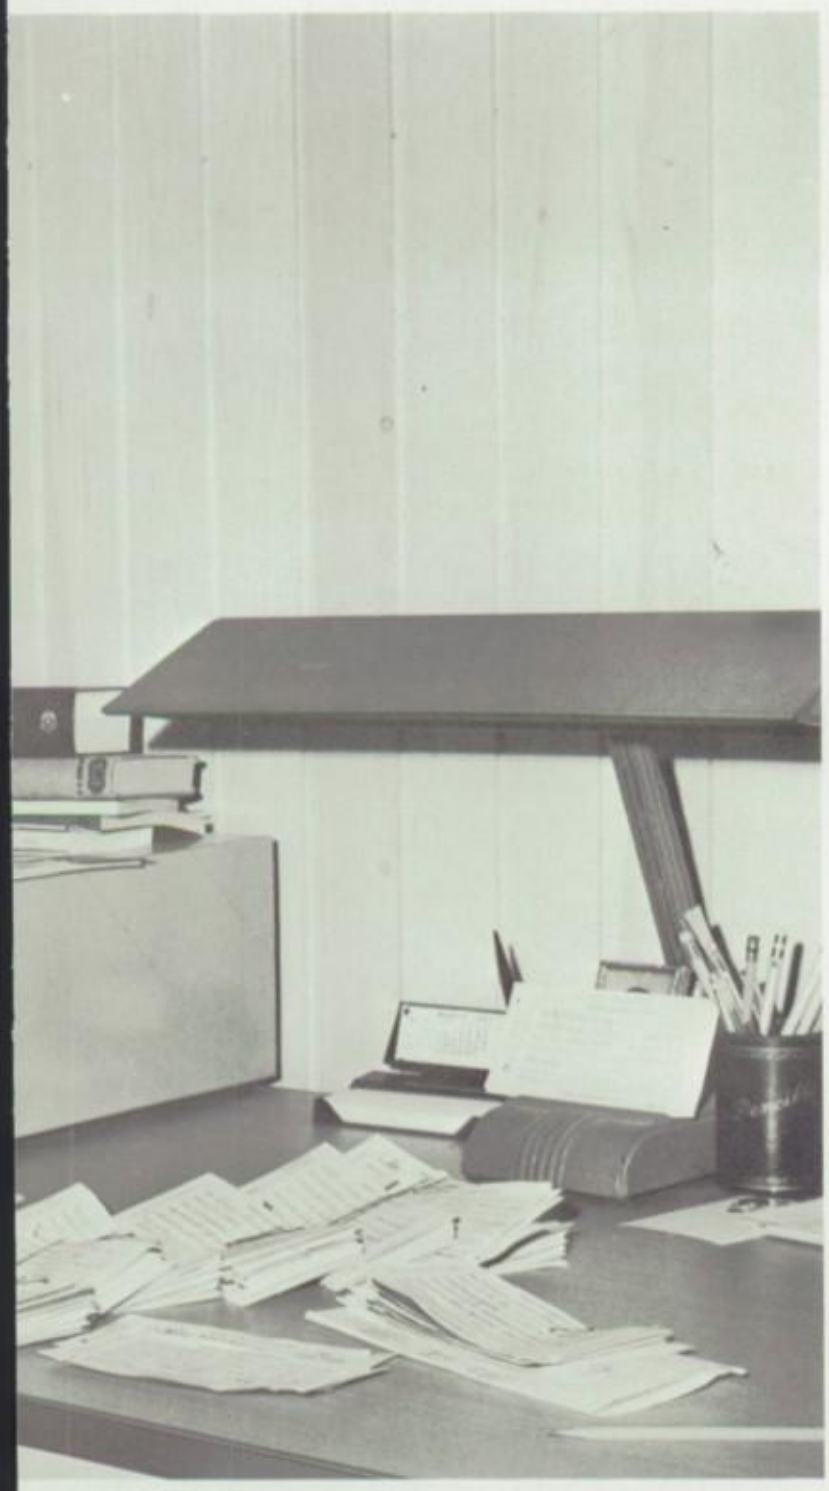
# World of BGHS—1967

# Contemporary, Modern, Inseparable Elements

Jimmy Edmond and Vicki Smith portray Tarzan and Jane at Student Council assembly.

# Traditional . . .
# Make 1967 a Unique Year



One of the most enthusiastically supported activities was the week of political bally hoo preceding Student Council elections, held in March.

Campaign leaders resorted to famous slogans and favorite entertainment characters for rallying points. Candidates were supported by "Batman" and "Robin," "Charlie Brown," "Tarzan and Jane," "Mr. Terrific," and the "Green Hornet."

Following along the same theme development, Christopher Columbus, Ben Franklin and a delegate from Mars voiced their support of AFS week, April 2-8.

Opening and equipping a health service was another 1967 "first." Mrs. Mary Jo Day, RN, was added to the system as Health nurse. Although her office is near Mr. Nienhueser's office, Mrs. Day also serves the surrounding R-1 schools.

More new "faces" were employed this year: Miss Kay Walker, Miss Sandra Griffen, Miss Mary Gay Lemon, Miss Ruthmary Martin, Mrs. Arthur DeVilbiss, Mrs. George Nienhueser, Mr. Rockne Calhoun and Mr. Jim Armstrong.

"Clubs" newly organized were: French, Biology and Spanish.

Mrs. Margot Mudd sponsored French and Spanish groups which adopted a constitution, selected pins, (a silver Mexican sombero and an Eiffel Tower) and prepared traditional meals carrying out their clubs native menus.

"The Parasites" was the name selected by the 26 biology club members. Under the supervision of Mrs. Anna Burke, members selected such programs as "Teenage Health" by Mrs. Julia Moss, County nurse and "LSD" by Dr. John Day to constitute their meetings. $1 dues financed a field trip to Columbia, Mo. to view the Medical Center and the Atomic Reactor.

October 20 was the date of the first Regional FHA meeting in the new school. Approximately 850 delegates from 17 schools were present to hear 1963 "Mrs. Missouri," Mrs. Shirley McKitterick, stress her topic "Individually Counts."

The first nurse, Mary Jo Day, works at her desk sorting TB test applications. Bobby Rege, Louisiana's foreign exchange student spoke at the French club banquet.

Two big firsts this year were BGHS's winning all four tournaments and Elena's being made an honorary citizen.

Unlucky move Mr. Marshall.

# Events, Emotions Unite School, Community

Jean Daugherty, Sharon Kurth, Elaine Scherder, and June Couch smile with pleasure after just being announced as 1967 Homecoming Queen Candidates.

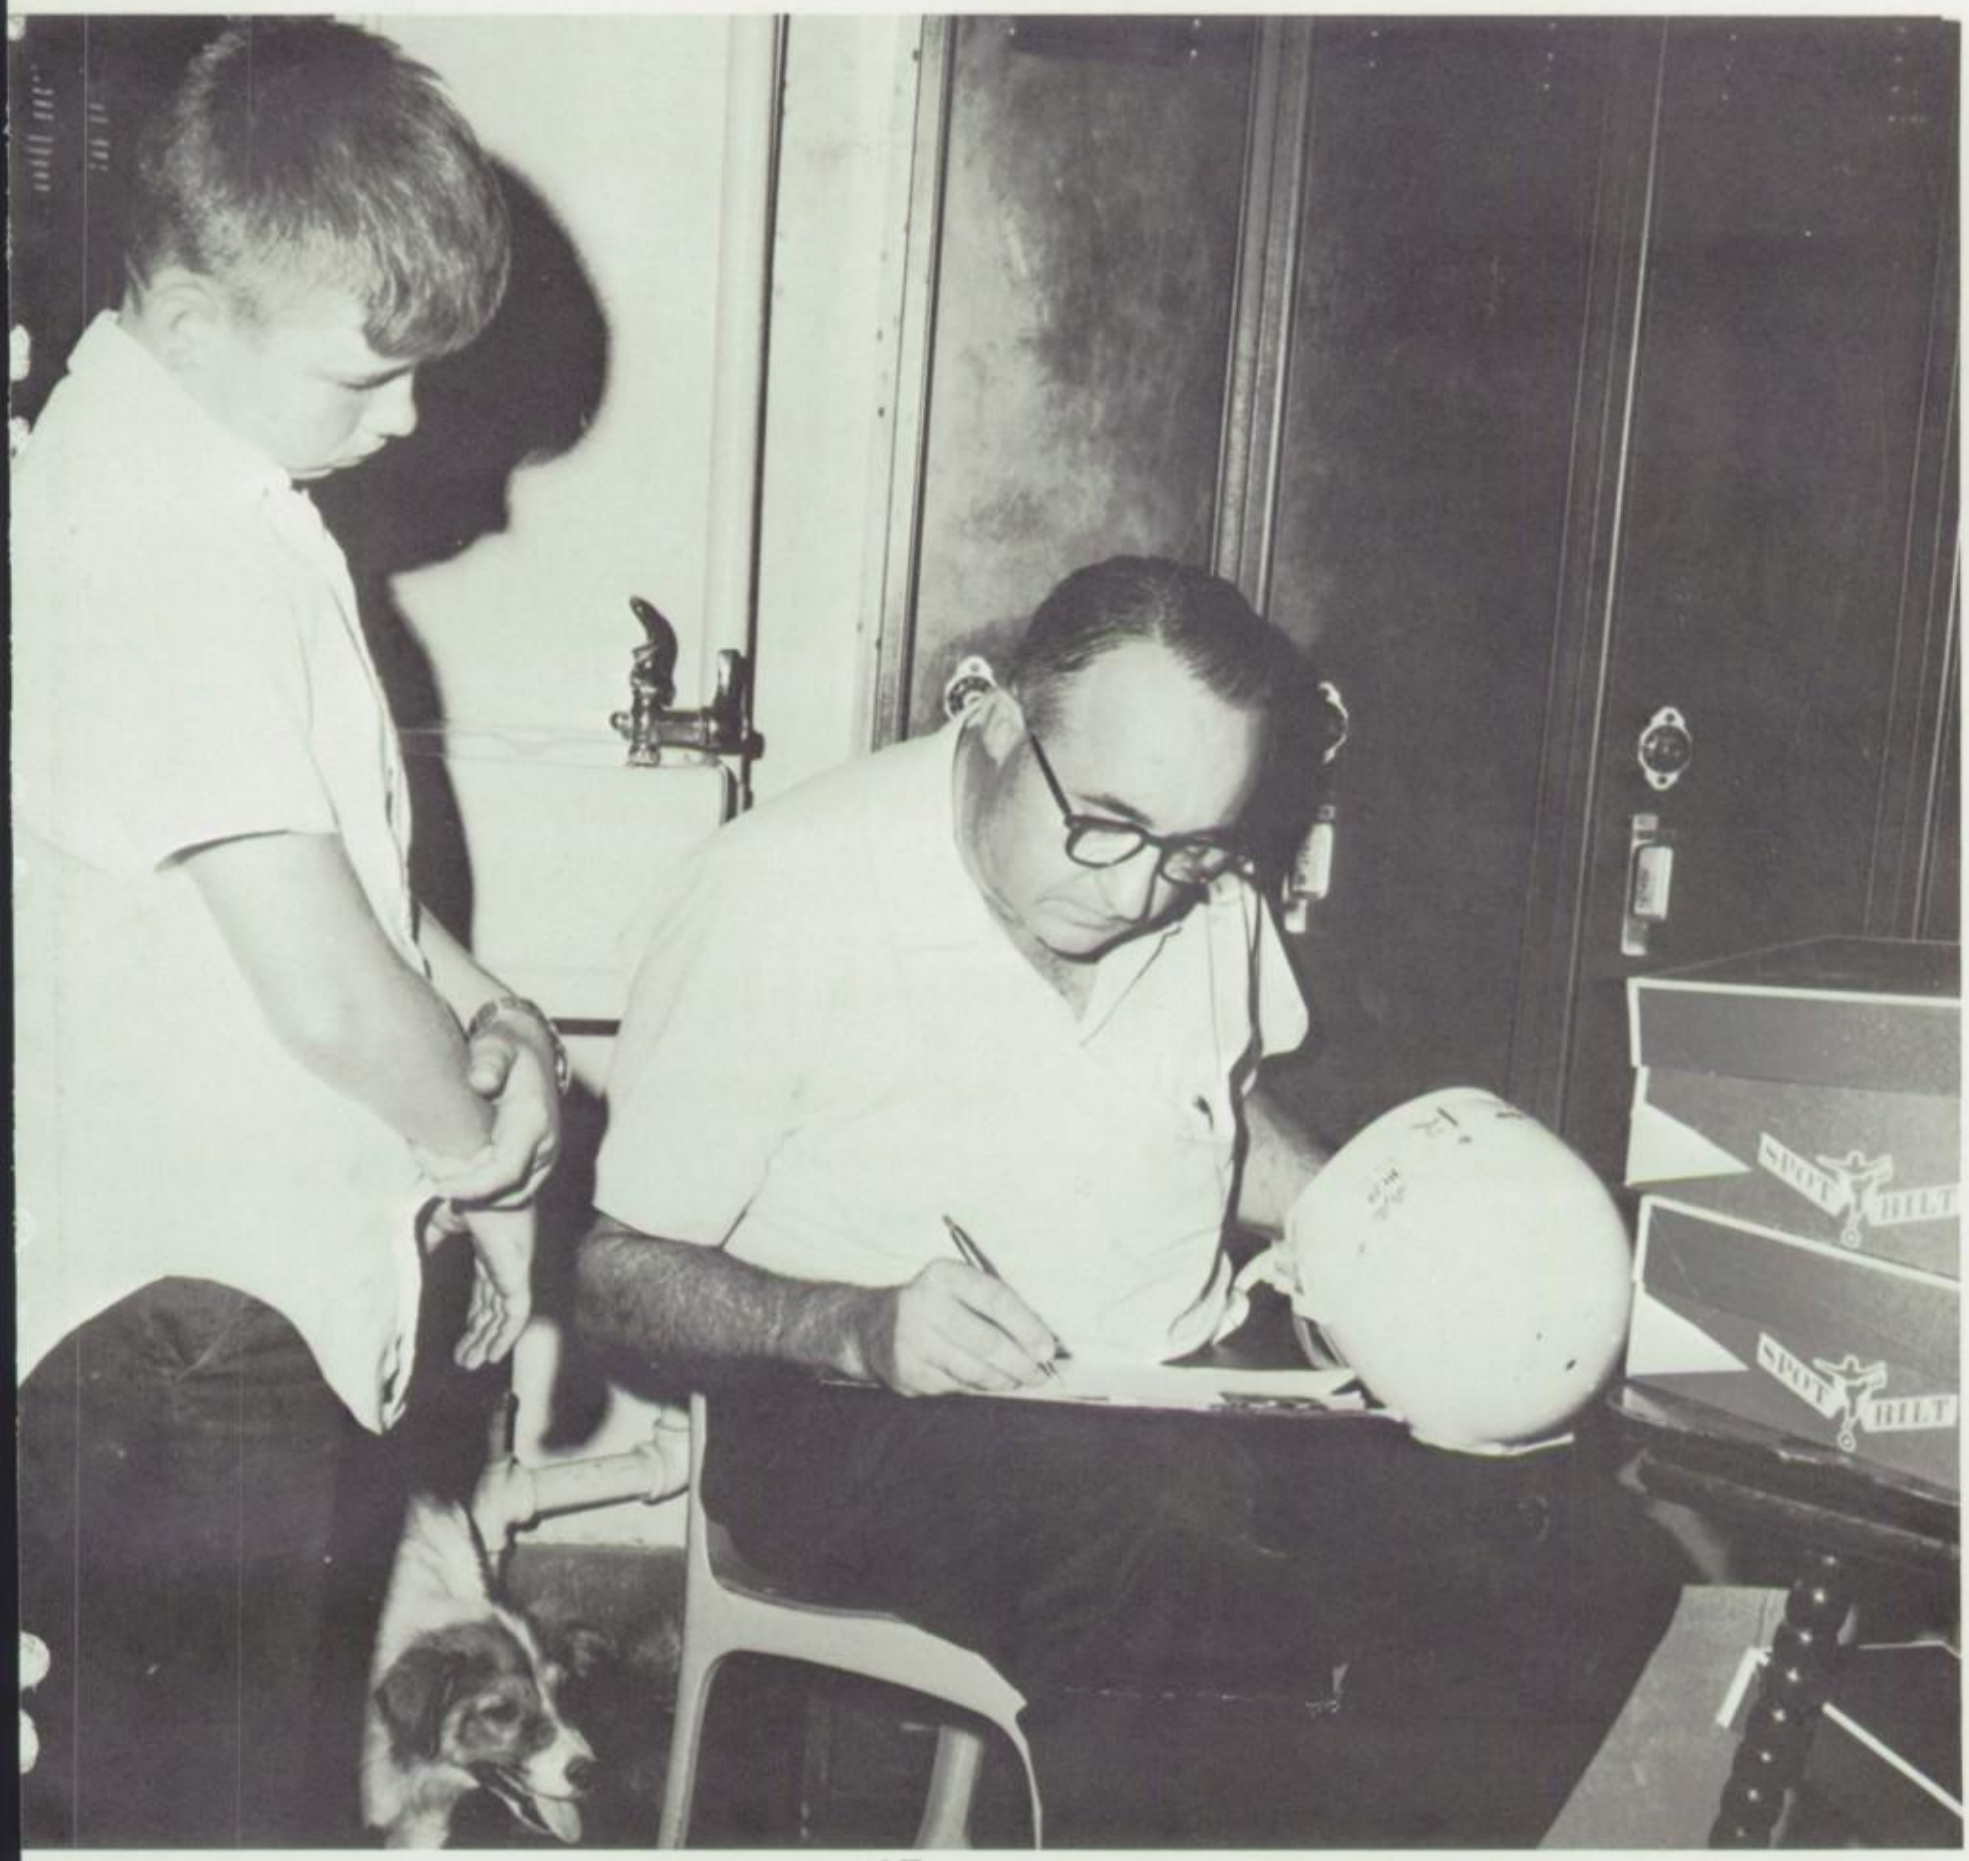
# 1967 Sets Aesthetic, Athletic Precedents

Loyal BG fans formed the Backstoppers Club to provide support and financial backing for all athletic sports. In conjunction with the new football program, the first project undertaken was to raise money for lights for the football field. Approximately $5000 was acquired from donations by clubs and businessmen, from the color TV raffle, and from selling popcorn during tournaments. Estimated cost of the football lights is $7500.

New developments also originated in the music departments. Exchange concerts between Bowling Green and Troy bands were held May 10 and 11. Dec. 1 was the date of BG's first Variety Show. Held in the school auditorium, its purpose was to raise money for choir robes. This was also the first year for Girl's Glee Club. Due to increased length of concerts, the Pop concert was held two nights. The band played May 5, and the choral section entertained May 19.

Mrs. Marilyn Black, vocal instructor, also began guitar lessons the second semester, and taught approximately 50 junior high and high school students.

Spirit boosting activities such as the first Homecoming and all-out support paid off well with the basketball boys taking first in all tournaments entered except the State Tourney. This was the first year since 1948 that the home team captured the



the Bowling Green Tournament title.

Homecoming stretched a full week with a dance climaxing the activities. Due to bad weather the snake dance and bonfire were cancelled. Four candidates, three seniors and one junior, were selected by the basketball boys to run for queen.

One minor mishap, the breaking of one of the glass backboards, did not interrupt activity long.

An AFS (American Field Service) program was started this year with the arrival of Miss Elena Candia, foreign exchange student from Cusco, Peru. Elena is an honorary member of several school organizations.

April 3-7 was AFS week. Shares were sold at 25¢ per share and a wishing well was set up for small contributions. Thurs., everyone wore red and white (AFS colors) and an assembly was held Fri. The week was climaxed by a Sadie Hawkins dance to which the girls asked the boys. Money raised went to the AFS fund for the 1967-68 school year.

Mr. Rockne Calhoun was hired to introduce football into the Bowling Green School system. Approximately 50 7th-10th graders participated in the $3800 program. Mr. James Armstrong coached the seventh and eighth grades. Seven home games have already been scheduled for 1968. Lights will be erected sometime this summer.

Faculty, curriculum, and school services were increased this term.

Seven new teachers, a school nurse, and one part-time instructor were added to the faculty.

New instructors were Miss Mary Gay Lemon, Miss Sandra Griffen, Miss Kay Walker, Miss Ruthmary Martin, Mrs. Arther DeVilbiss, Mr. Jim Armstrong, and Mr. Rockne Calhoun. Mrs. Anna Nienhueser was a part-time instructor, teaching two composition classes and conducting the SRA (Science Research Associates) reading program.

Adding a school nurse was a step toward an AAA classification. Mrs. Mary Jo Day, RN, completed students' health records and conducted various health clinics during the year.

Enrollment held August 22 to 26 was handled by the 25-member faculty and involved 476 students: 128 freshmen, 131 sophomores, 108 juniors, and 109 seniors. Last year, 468 students were enrolled by 24 faculty.

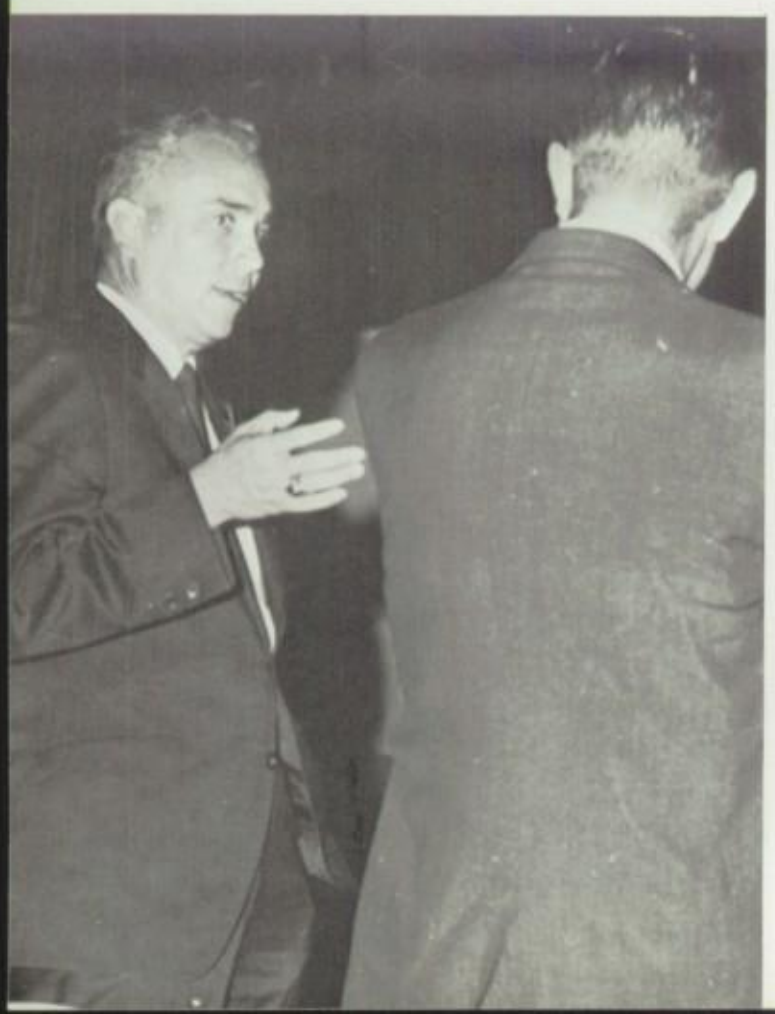
Another first this year was the March 24 and 26 Easter vacation.

Credits offered jumped from 54 to 56 1/4. Athletic Director, Mr. James Wilson, inherited the job as Algebra I, II, Geometry, and Trigonometry teacher. Mrs. Arther DeVilbiss, former elementary teacher, took over general math and Algebra I.

Students and teachers completed the first full year in the new $700,000 plant on January 3.

Other services included 17 school busses transporting 1,000 students a day approximately 1,000 miles. Fourteen cooks and supervisor, Hazel Sutten, prepared 1,100 meals daily which were served in five cafeterias.

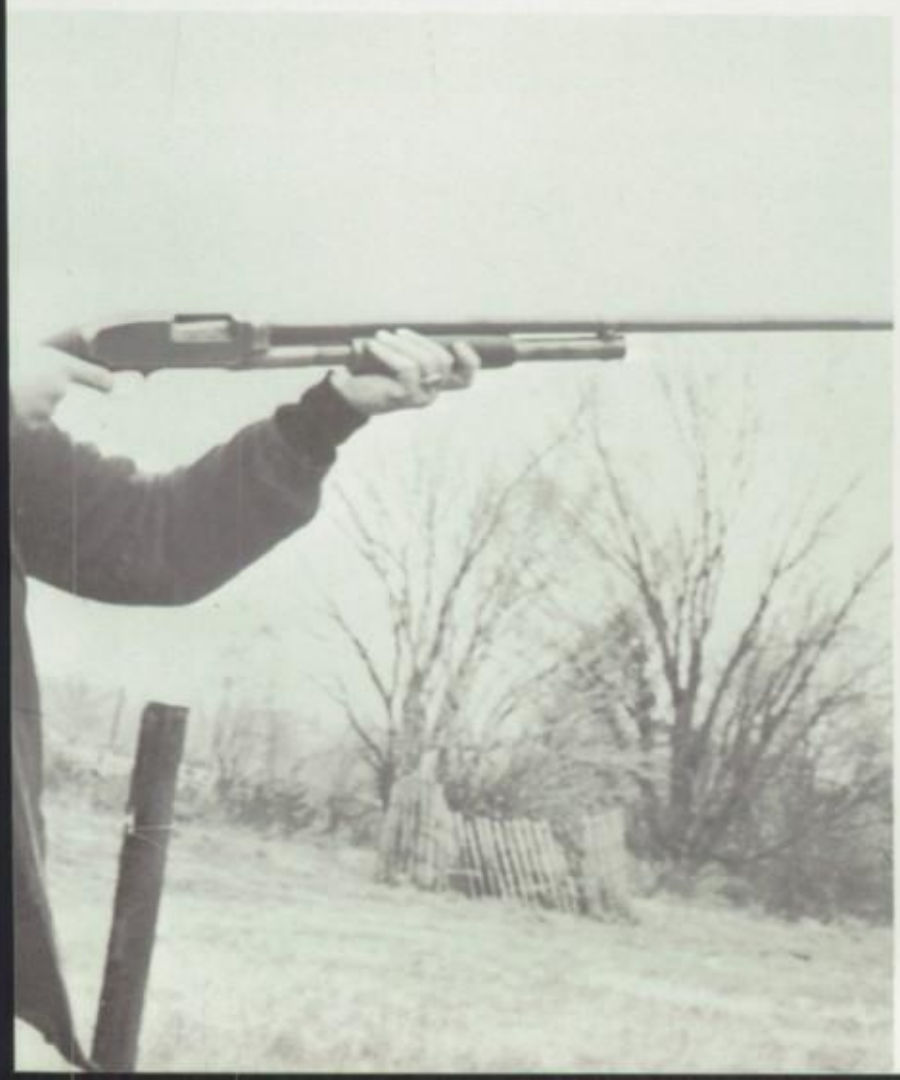
# ACADEMICS



Fifteen-years of school administration work, M.A. and B.S. Degrees from Kirksville State Teachers College and six-years here at BGHS describe Superintendent of Schools Murry S. Smith. In addition to his duties as R-1 Superintendent, Mr. Smith taught graduate classes at night.

Year's highlights included a new Vocational Business Education program with $6400 worth of office machines, adding a school health program; adding a junior high physical education teacher; starting a reading program in the high school; adding a football program; and continuing summer school. Also worked out this year, but which will take affect in the '67-68 school year is departmentalizing the jr. high school.

Mrs. Carol Richards, Secretary to the Superintendent and treasurer of the district, has been employed by R-1 for six and one-half years.



# From the Plans to the Plants . . . the Responsibility is His

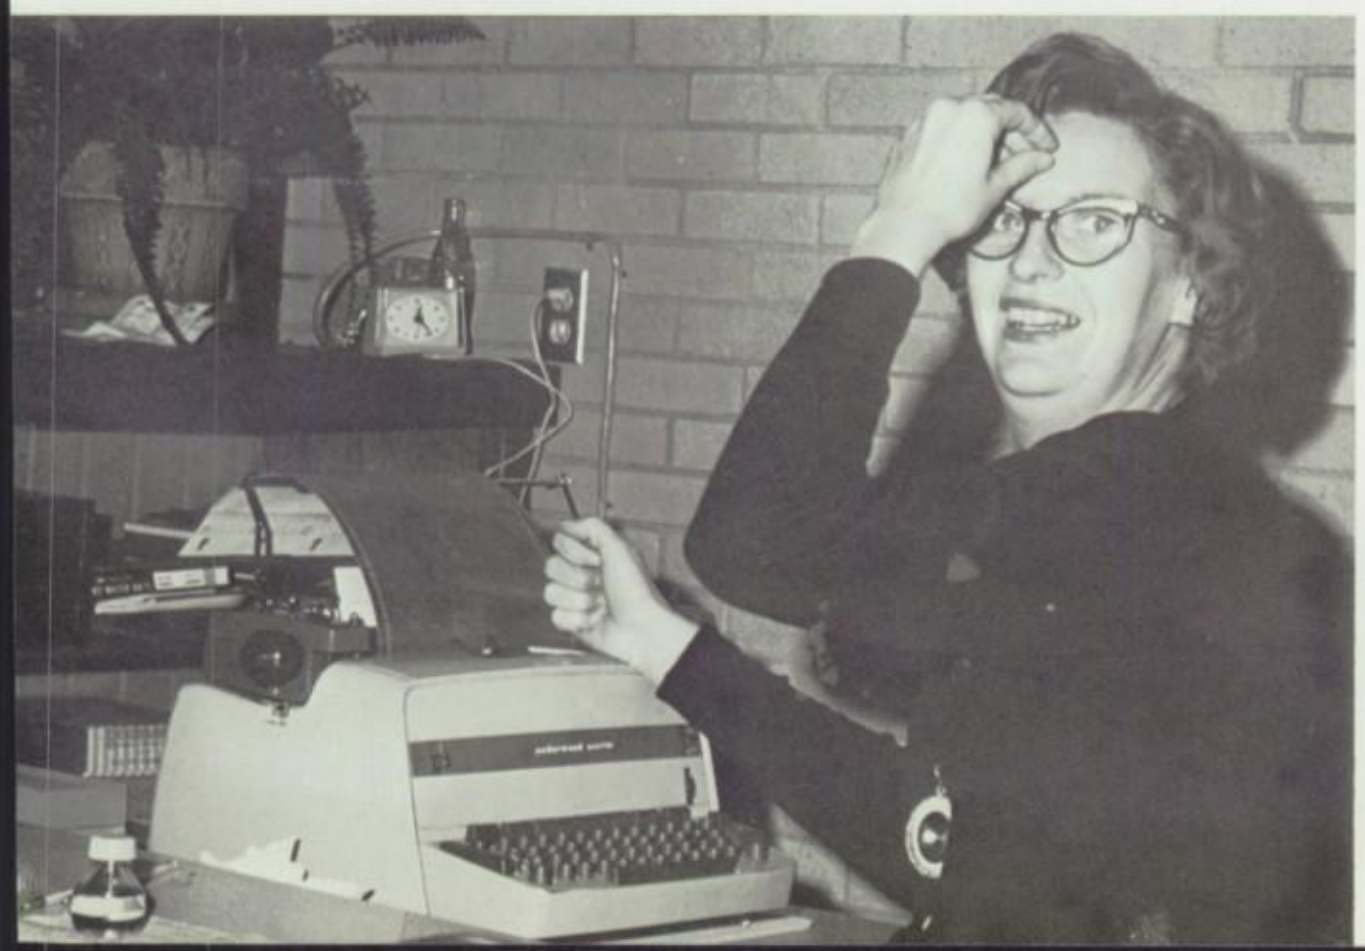
# 1967's Portrait of a Principal

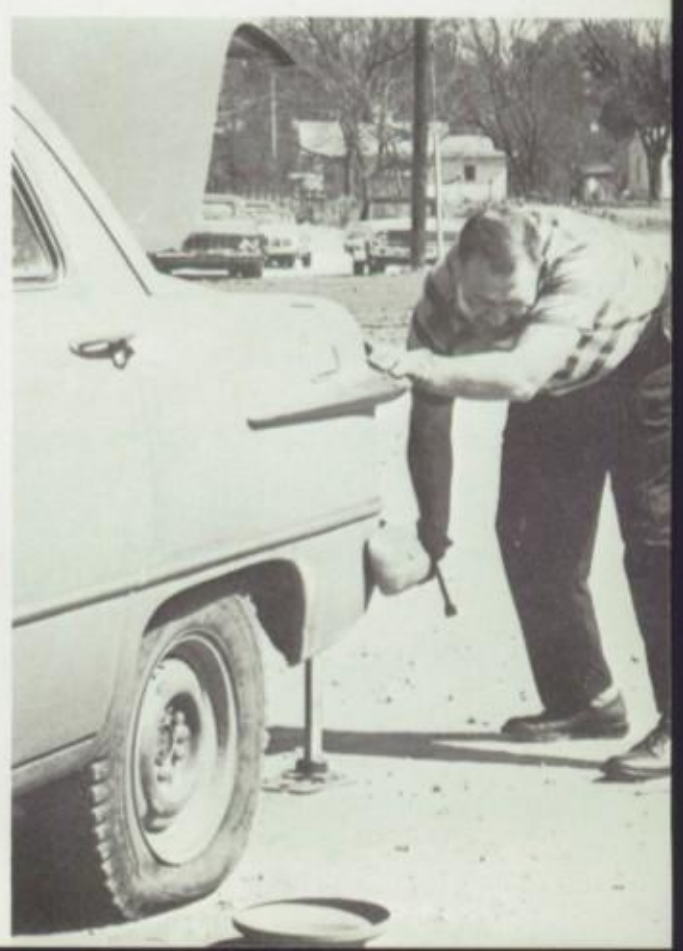
Backing up Mr. George Nienhueser's job as Principal are a Masters and B.S. Degrees from Missouri University, 17 years of "school experience," and eight years as principal at Bowling Green High School. Mr. Nienhueser was also treasurer for the AFS program.

In addition to overseeing the entire student body, Mr. Nienhueser set up schedules for 470 students, he kept a yearly attendance record on all students, ordered all boks and supplies for the school system, and kept an up-to-date calendar of all school activities.

Secretary to the principal, Mrs. Ed Kattelmann (Better known as Mrs. K.) has served in the Bowling Green school system six years.

This portrait includes dancing with Mrs. Nienhueser at the Christmas party, enrollment, collecting lunch money and returning lost locker keys, addressing an assembly, counting tournament money, and changing the "clunker's" tire.





Teachers often do many "extras." Below, Miss Black spends a typical pre-school vocal practice session. Right, Miss Martin contributes a reading to the new term's first PTA meeting program.

With last summer's book addition, the library now contains about 5,000 volumes, and is included in the studyhall, along with a "nook" for experienced librarian, Miss Bankhead. At right, this Christmas mural was sketched in color on the Art room's chalkboard by instructor Mrs. Jensen and her students Danny Stapleton and Jerry Straube. The scene was left on display for a few weeks.

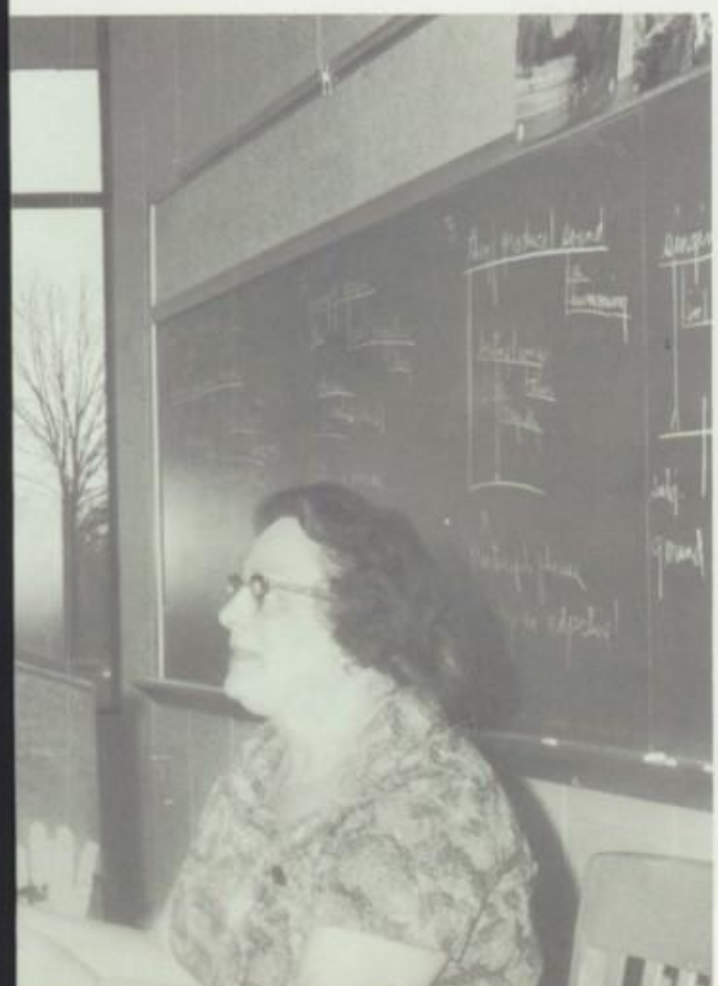
# Increase Total Curriculum Units; Broaden English Department Scope

Mr. Elmore teaches shop, woodworking, metal-working and drafting. He is also currently the president of the CTA.



Advanced farm shop is one of many areas of vocational agriculture offered to juniors and seniors. The class gives nearly 30 boys the chance to learn new ideas on farm-machinery construction and craftsmanship skills.

Wagon frames, loading chutes, gates, wagons and beds, grader blades, cabinets, observation platforms, tool boxes, racks, holding chutes, and feed boxes are typical farm class projects.

Mrs. Motley's English III students are required to make notebooks and to memorize certain poetry selections by famous authors. Mrs. Motley offered this quotation from A Spoon River Mother as one of her philosophies regarding poetry; "Memorize some bit of verse of truth or beauty, It may serve a turn in your life." She also added, "I hope every student forms the habit of memorizing bits of poetry which may give him vision and hope."

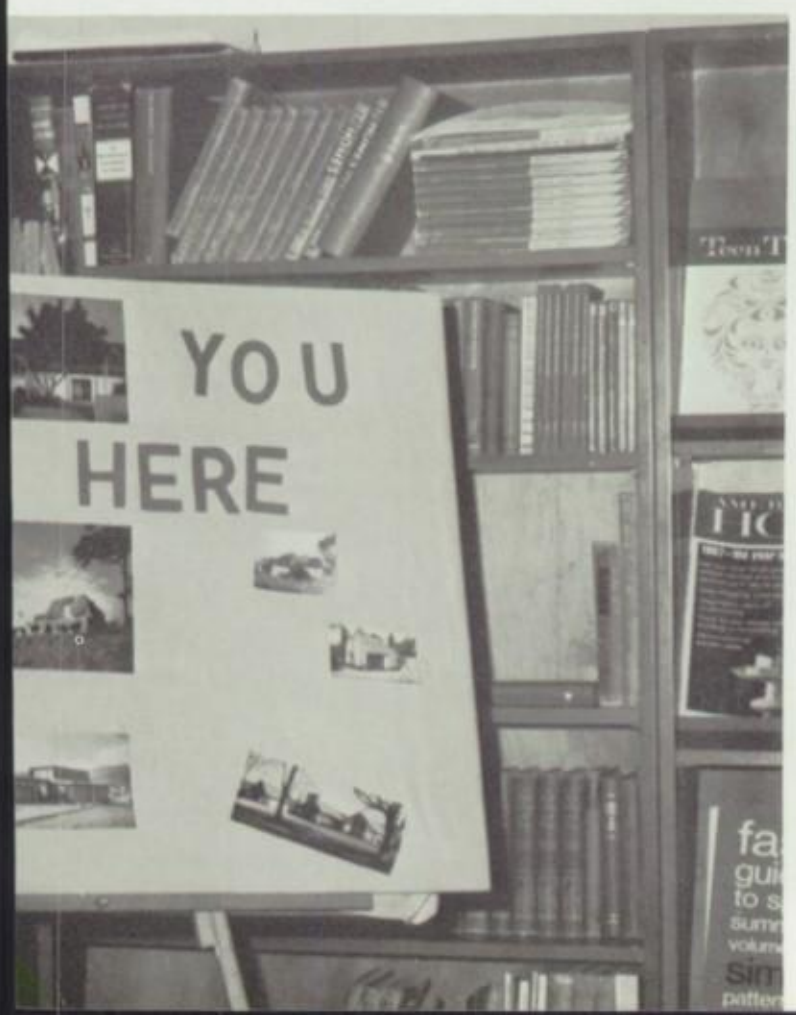
# Just the First Year of Occupancy,

Miss Fischer and Miss Griffen discover an interesting book while Miss Lemon describes a Home Economics bulletin board.

Mr. Atkinson awaits the arrival of his driver education students while Lelia Howard receives counseling from Mrs. Blessing.



Karen Straube is engrossed in her typing while instructor, Miss Walker, prepares a display for shorthand students.

Interrupted while taking notes during health class, these boys and Coach Armstrong know that PE is not all "play."

Of course, each school year begins with student enrollment. Filling out forms, choosing courses, and preparing the year's schedule take place at this time. Enrolling 465 students was a big job, but the faculty seems to manage the procedure expertly.

# But, The $700,000 Plant Begins To Look Well

# Settled—It's Home!

Students attending BGHS have not only their studies to keep them busy—the school's broad program offers many opportunities for participation. Countless activities spring from organized groups.

Two of the largest organizations, Future Homemakers of America and Future Farmers of America have many joint and separate activities, including Barnwarming, Hootenanny, Bar-be-que, special "weeks" and banquets.

Spirit-boosting girls join the pep squad, and if they wish, may try out for cheerleader or be an officer. This group sponsors an annual athletic awards banquet.

Football, basketball, track, and baseball are included in the intermural program. Any boy may try out for any or all of these sports.

Both boys and girls may participate in the intramural program which is scheduled for the entire school year.

Band and choral departments offer opportunities to music-minded students: the concert band attends a marching festival, performs three concerts per year, participates in contests; the choral groups perform similarly.

A typical day begins at 8:40, runs seven periods of 40 + minutes each, and ends at 3:25. A typical student carries four or five subjects and a physical education class, has a few study-halls per week, and is involved with two or three extra-curricular activities.

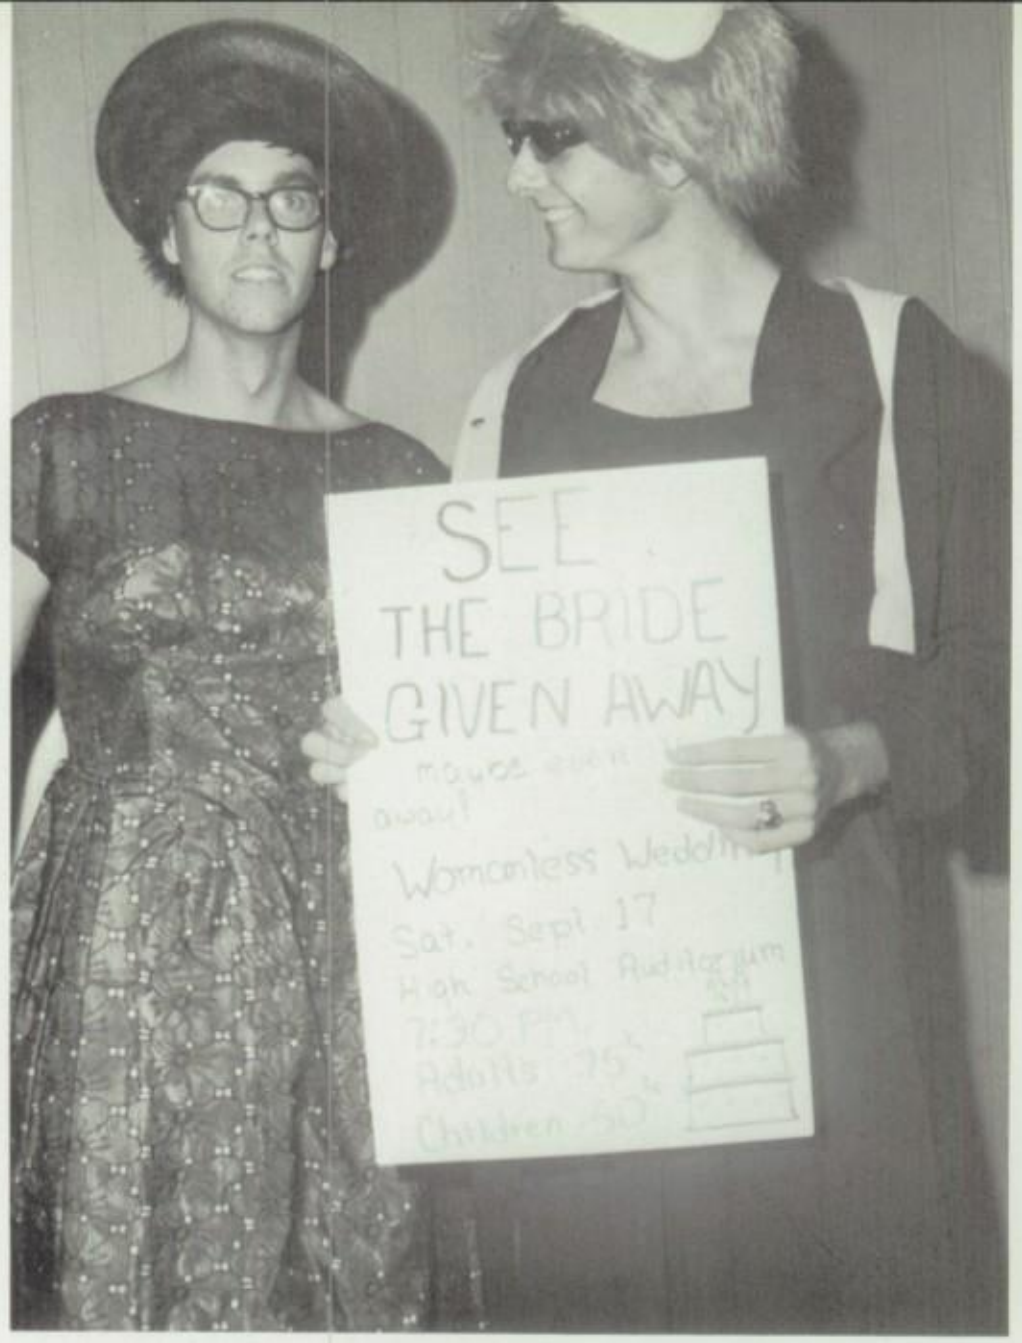
A typical year begins in late August, has four or five "snow" days, and ends with an awards assembly late in May.

But integrated subtly with the typical in these next pages, will be the moments that made 1967 unique.

# SCHOOL LIFE

# Initiate New Fund Builder

To help class finances, trip-bound seniors sponsored a show at the local theatre, sold subscriptions to the Bowling Green TIMES, and held a womanless wedding. "NBC" correspondent for the wedding Nancy Nickerson (Larry Grinstead) and organist Mrs. Ludwig Siddlecan (John Farr) advertised the event. Below, a few of the lovely (?) ladies discuss latest fashions at the reception.



# For First Trip Since N.Y. World's Fair

Sixty-one seniors, sponsors Mr. and Mrs. George Nienhueser, and the Robbins Tour guide Mrs. Blanche Caviness traveled 1,300 miles to Washington D.C. and New York the week of September 26 to October 2 on the annual senior trip.

Washington tours included the Library of Congress, Lincoln, Jefferson, and Iwo Jima Memorials, Washington Monument, National Archives Building, then on to Alexandria, Virginia, to see Christ Church and George Washington's home at Mt. Vernon.

Three days and nights in New York City gave students a chance to visit Radio City Music Hall, Empire State Building, Chinatown, Greenwich Village, and Statue of Liberty. During free time, students dined at the Copa Cabana, saw Broadway shows, shopped, or visited Italian and German restaurants.

Pictured above are seniors who visited Missouri Representative, Bill Hungate, in his office. Mr. Hungate posed with the group on the steps of the capitol building. His wife is also in the picture.

# Activities Father

Strong Future Homemakers and Farmers Chapters involved 171 students this year—more than one-third of the student body.

The groups recorded several "firsts" including the planning of a regional meeting for 850 guests from 17 schools and organizing a county barrow show.

FHA initiated 43 new members who had to wear red and white bows, run the "wet feet" obstacle course and then participate in a more solemn ceremony.

A new committee was formed to study degrees and points used to obtain junior, chapter, or state degrees. The chapter also adopted white corduroy jackets.

Helping distribute student council election ballots, honoring AFS student Elena Candia, caroling, and initiation ceremonies are just parts of the FHA year.

# Espirit de Corps

# Begins New County Barrow Show

Activities for Future Farmers of America included both holding and attending many events.

Representatives attended the Kansas City Convention Oct. 12-14. The organization's first bar-b-que was held September 13 in the city park and grossed $542.14. Tickets were $1 and .75.

This year's hog sales were typical; Sept. 15's top price went to Danny Lewis ($236); October's was Robert Meyer ($240); March 10's top was Cecil Harness ($300). Averages ran between $78 and $93.70.

Only blues and reds are sold at these auctions.

Other annual events repeated this year were turkey shoot (Nov. 6); Christmas supper and basketball tourney; FFA week (Feb. 18-25); Parent and son banquet Feb. 10.

A new event was the county-wide barrow show held Feb. 22. Forty animals were shown that day.

FFA freshman initiation ceremonies seem to disagree with Billy Harness and Kevin Smith.

Students' waist measurements were bases for admission fees to the barnwarmin'. The money was then placed in a pumpkin as a vote for a favored queen candidate.

Square dancing was called by Mr. Howard Harmon, Elsberry's Ag. teacher. The October 28 activities were open to all students.

# Popular Fall Activity Opened to All

Held for the first time in the new auditorium, this year's barnwarmin' was opened to the entire student body although it was still planned by the FHA and FFA organizations as in previous years.

Bill Couch and Judy Gollaher were chosen as best dressed couple; Bucky Boudinier and Elaine Scherder won a cracker-eating contest; and Jerry Gamm and Susan Chapman were fastest apple eaters.

Royalty was chosen by the amount of money received at the gate and from the cake auctioning. Bruce and Bev reigned as king and queen with Gary Shannon and Myrna Clark, first attendants; Roger Morris and Donna Kurth second attendants; and Ronnie Stewart and Patty Stanturf, third attendants.

Barnwarmin' King (Bruce Moore) and Queen (Bev Edmond) are about to cut Bev's $65 cake which had just been auctioned.

# FHA Regional Meeting

Mrs. Missouri, Mrs. Shirley McKittereck, was guest speaker at the regional FHA meeting held here last October for 17 schools.

Winter activities continued with a Christmas party, initiation, and caroling. The Spring style show April 18 was opened to all Future Homemakers.

Special recognition was earned by Judy Rolen and Debbie England who were state choir and regional delegates respectively.

A new activity included a cook book sale in the Spring.

# Season's First Play

"To Blush Unseen" was presented Nov. 12 by the junior class and directed by Miss Ruthmary Martin. An invisibility formula accidentally "claimed" the dog belonging to the president of Sweetberry College. This event set off a mysterious chain of happenings which cast members had to solve for the audience.

# Produced Under New Director

Trying to keep the local "busy body" from telling about his roommate's secret formula, Jim Edmond temporarily silences Cathy Williams and then attempts to conceal the "evidence."

Patty Beavers futilely attempts to divert John Baker's preoccupation with invisibility problems to romantic thoughts.

John Baker confesses his part in the dog's disappearance, and college president Danny Scherder decides to seek the psychiatrist's help. Here he attempts to force John to talk with Dick Basye.

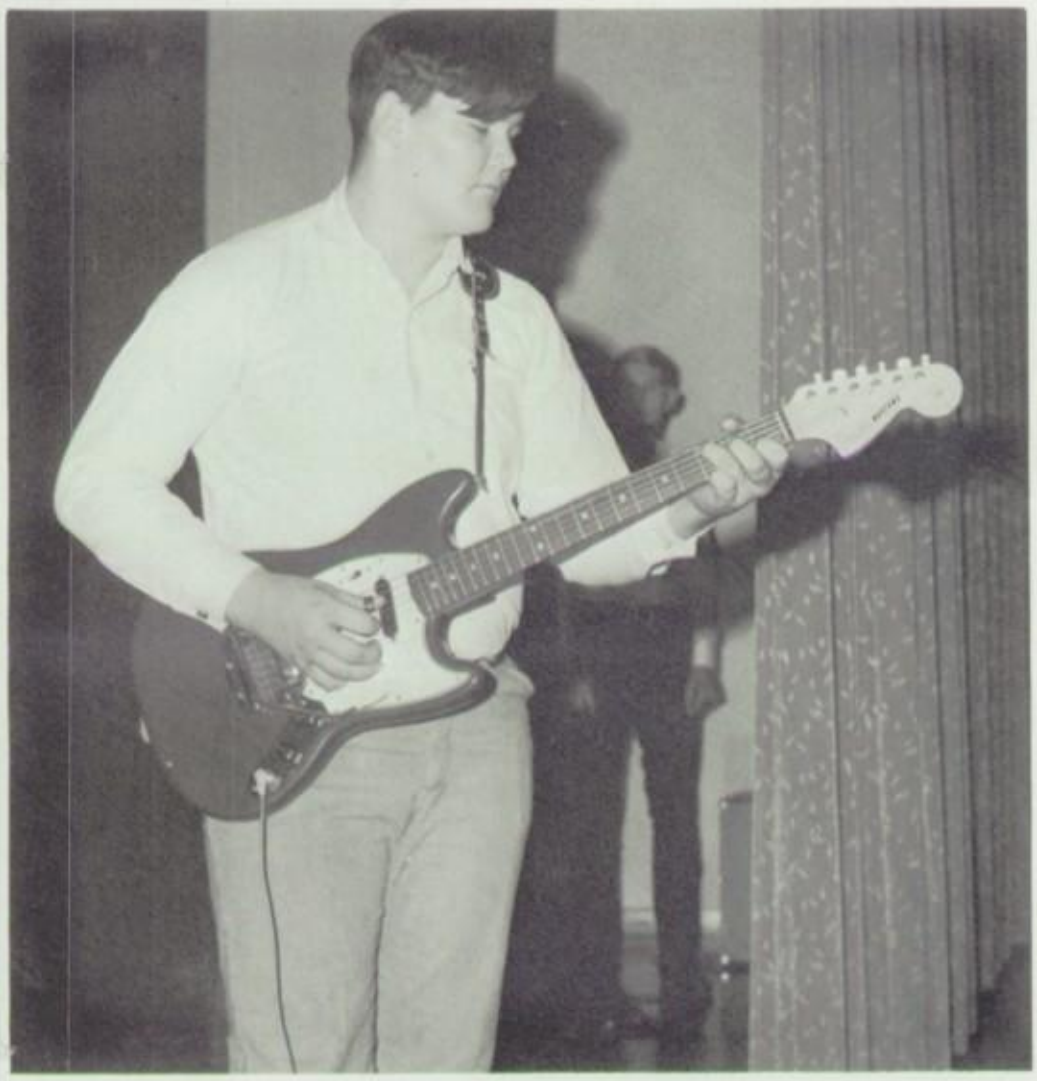
# Respond to New Musical Outlet



Seventeen numbers, including: solos, vocal ensembles, instrumental combos, and commercials composed the vocal department's first variety show which was held December 1, 1966.

Raising money for choir robes was the show's purpose. It was directed by Miss Marilyn Black.

Participants in this event had to qualify in a talent show held on November 22.

At left, Ernest Bennett performs "Freight Train," and he also accompanied other numbers.

Below, 26 glee club boys sing "Tom Dooley" accompanied by a narration by John Farr.

# Forms More

"The Music Department at Bowling Green has always reflected a high standard of accomplishment. This year was no exception. The program, including three concerts, has been a successful and profitable effort," agree instrumental and choral directors Mr. Marvin Stratmann and Miss Marilyn Black.

Approximately 65 girls and 35 boys auditioned for choir and top twenty this year. In addition, Miss Black selected a special girls' glee club composed of all choir girls and 22 others.

Receiving no academic credit for taking the courses, top twenty met Tuesdays before school; choir met Wednesday mornings; and girls' glee club met Thursday mornings.

# Vocal Groups; Adds Guitar Classes

Mixed chorus, which was offered for 1/4 credit, along with choir and top twenty performed at the three yearly concerts, while girls' glee club performed only at the Christmas and pop concerts.

A musical variety show was presented by the vocal groups on December 1 to raise money for choir robes and top twenty blazers.

Three annual concerts were presented by the music department. For the December 19 Christmas event, the band played several carols from other countries along with several American selections. The mixed chorus special girls and boys' glee clubs also performed.

The mid-year concert, March 20, included the band performance and vocal presentations. On the lighter side, the "pop" concert theme was a "modern beat". Due to the length of the combined instrumental and vocal selections, the vocal portion was presented on May 4 and the band performed on May 5.

This was the first year that choir had competed with the band sections in concert season-ticket sales. The Band Boosters organization presented cash prizes to the three highest salesmen and gold pins to members of the winning woodwind section who sold two or more tickets.

Concert band, offered for 1/4 credit, met every day fourth period in spacious new quarters featuring vast storage space, air conditioning, double entrances.

# Spring Concert Climaxes Music

This was the band's 18th year to attend the 18th annual Mark Twain Marching Festival at Hannibal on October 11. Twenty-Six bands participated. Commemorating John Phillip Sousa, the BGHS group performed an individual stunt for the first time since 1961.

Two pep bands were organized this year to play at home basketball games and assemblies. Student directors were John Farr and Larry Grinstead.

Eighteen ensembles and soloists and the band performed at the district music contest held at Mexico on March 31. The band, which has won 11 I-ratings in 12 attempts, performed Chorale and Cappricio by Cesar Givannine and First Suite in E by Holst.

Another new music event was the concert exchange with Troy. Bowling Green played at Troy on May 10, and Troy returned the engagement on May 11.

Another innovation was departmentalizing the Pop Concert—instrumentalists presented their section of this favorite event on May 5; vocal performance was given May 19. "Mod" dress accompanied the "Mod" music.

Jovial rivalry between the "Beats" and the woodwinds kept signs waving during most of the concert band's performance.

John Baker narrated the evening's program which also included a short prelude by the beginners' band.

# Season

Pop concert goers treated guest trumpeter John Parcell like a favorite record and clapped for an encore of his performance of Wonderland By Night. John is a former BGHS band member.

# Dual Shows Draw Record Numbers

Art is quite interesting to these women as they view the annual art show exhibits which were on display following the P.T.A. meeting April 28.

Art I, II, and III students' handiwork made throughout the school year was shown.

"House of FHA," was the theme of the style show which was also held at this time. Approximately 70 FHA and home ec. girls participated by modeling outfits made in home economics.

A simple living room setting was the scene with the latest fashions being modeled, consisting of party dresses, formals, suits, school and sport clothes, and a wedding dress.

Art students are under the direction of Mrs. Ellen Jensen, and home ec. girls are supervised by Miss Mary Gay Lemon.

Fashion show models are: Beverly Edmond and little sisters modeling dotted swiss dresses. FHA jackets are shown by Judy Haley and Beth Kattelmann. Phyllis Lamberson is modeling slacks and blazer while Deborah Branstetter models a formal.

# Art Department Provides Prom's Misty Moonlight

"In The Misty Moonlight" was the setting with music by "Dr. Jeckyl and the Hydes" for the final fling at BGHS—the junior-senior prom.

Crowning the prom queen was the highlight of the evening. Mary Jane Bunten was chosen by the faculty and crowned by junior class president, Bill Colbert, as reigning queen. Her escort was Larry Grinstead.

Dancing began at 8:00 p.m. and continued until midnight with music ranging from the typical "rock-and-roll" to the more moderate "slow dances."

Typical attire for most girls were pastel-colored floor length party dresses; the boys dressed in white shirts, ties, and suits with white or black coats.

Following the prom a street dance was held from 1:30-4:30 with music by the "Premiers". Breakfast was served in the Willo Cafe to prom attenders. The pool hall and State theatre also provided entertainment. Typical prom goers are above Diana Stuart, and escort David Frankhouser. Left Joyce Straube and escort Richard Nutter cross the footbridge at entrance.

# Forego

Located at the entrance of the auditorium were white trellises on both sides of a grass walkway which led to a flower-covered bridge over a stream. At one end of the stream was a waterfall flowing over rocks into the water.

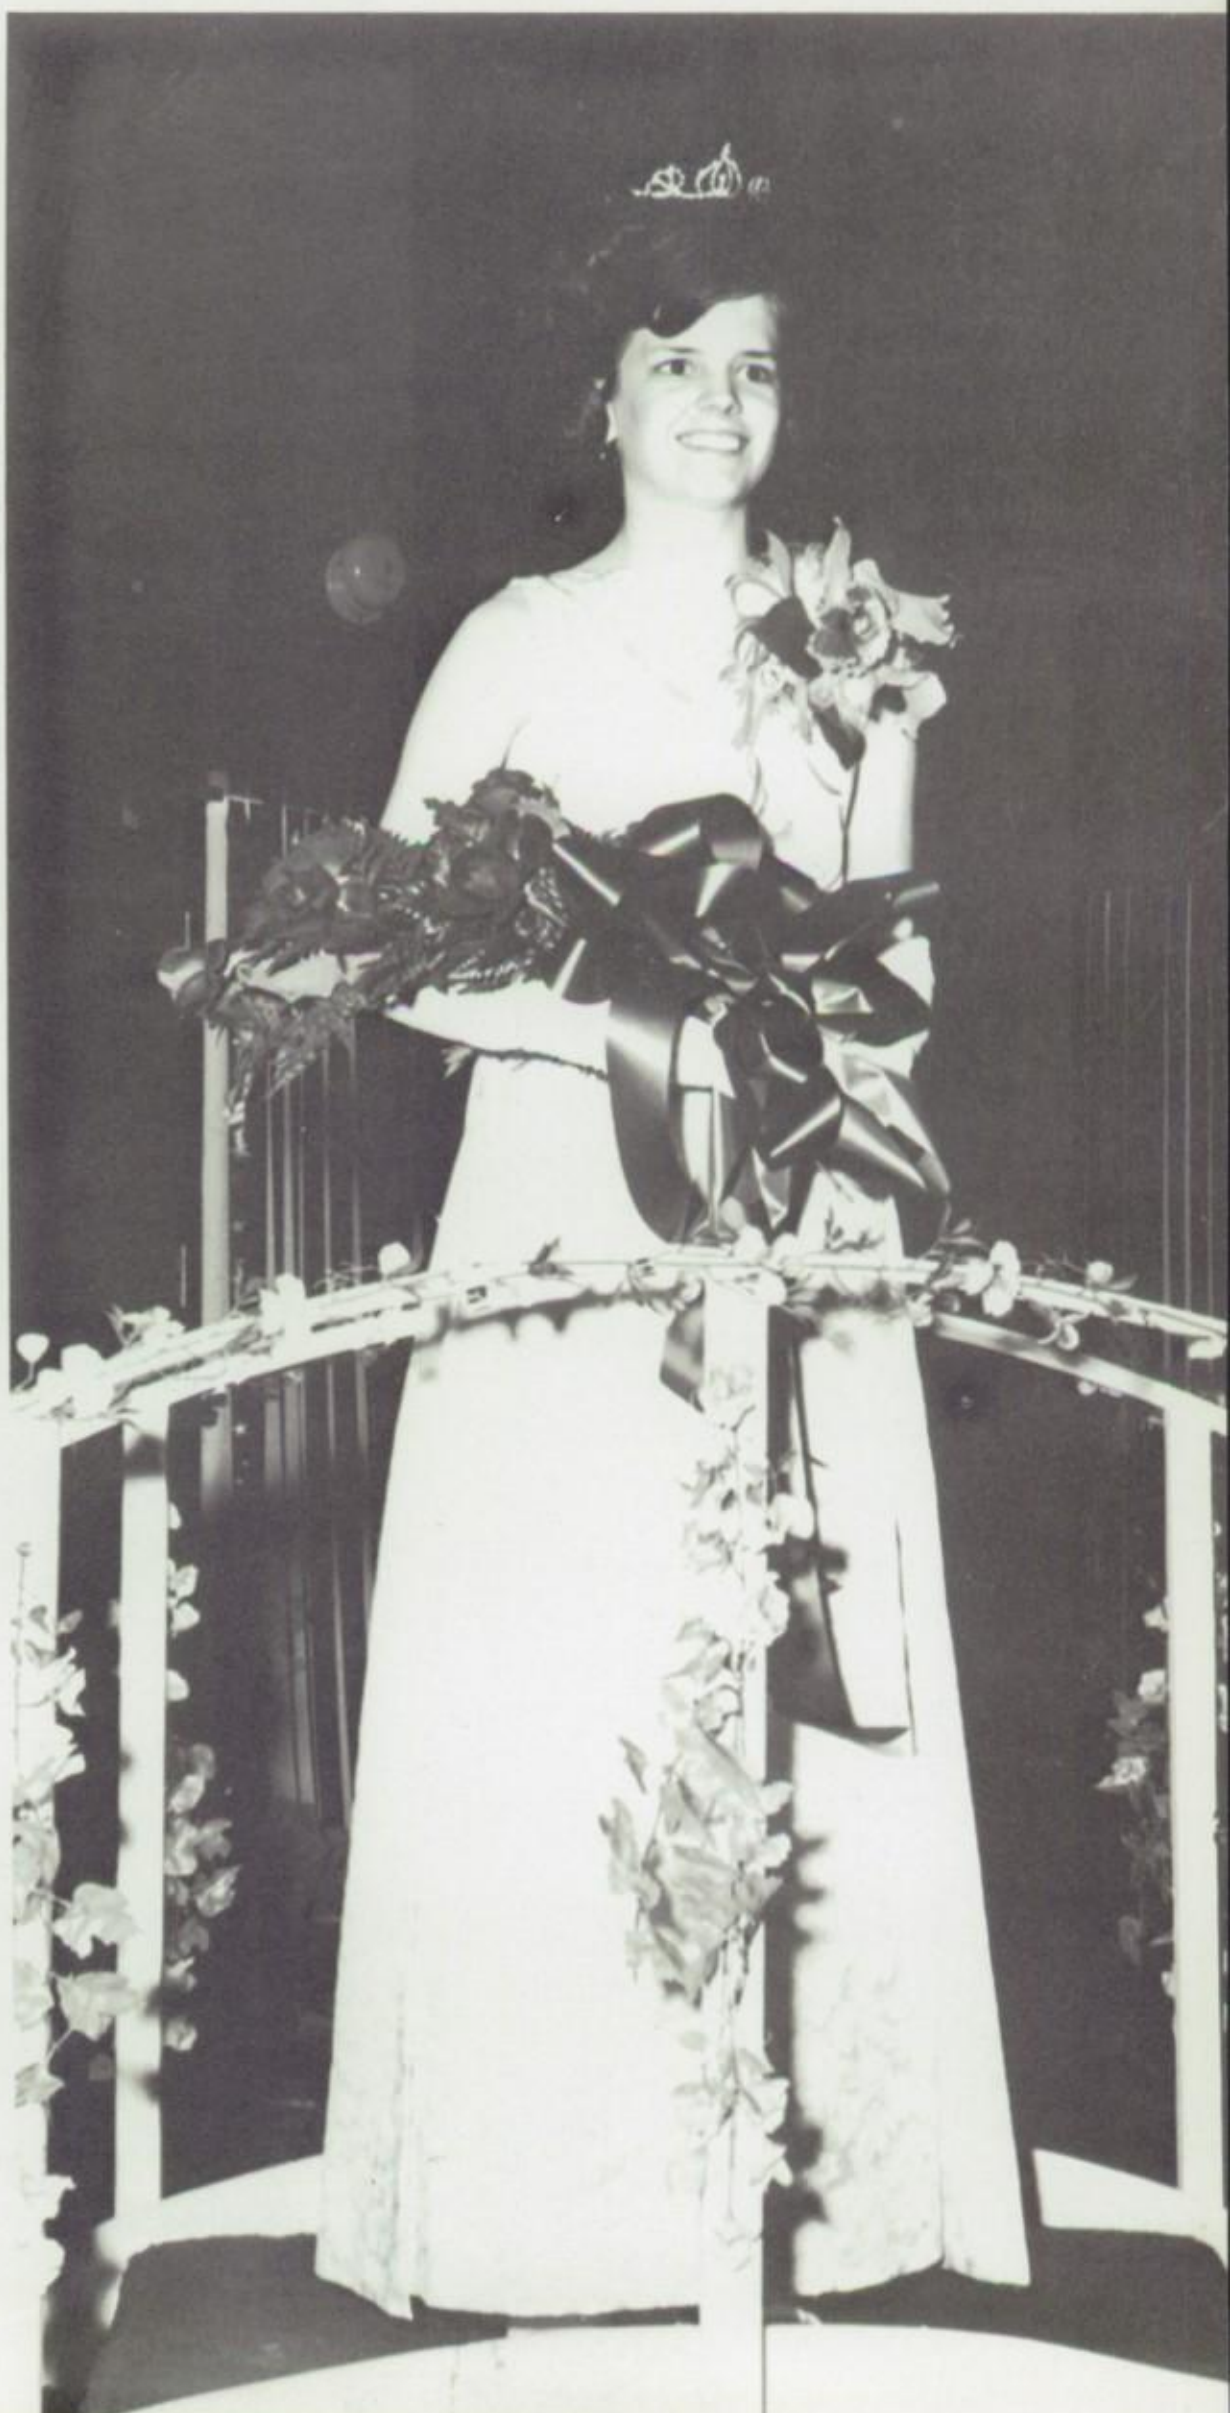
On the other side of the room was a fountain decorated by flowers with multi-colored lights enhancing the natural colors.

The usual "signing in" and "singing out" system was used at the door. . Elena Candia, foreign exchange student, writes her name on the list.

# Mod Dress for Formals, Flowers

Tables were placed throughout the moonlit room, each decorated with a candle, favors, napkins, and memoir books. Mrs. Ellen Jensen and Mr. George Nienhueser supervised decorations.

A banquet table furnished with cookies, finger sandwiches and punch was placed in the hallway.



# Student Government Trains Community Leaders

Twenty-one members comprise the Student Council with Larry Grinstead, Danny Scherder, Cathy Williams, and Alicia Boston as this year's leaders.

An active organization in the school, the Student Council sponsors the Christmas party activities in co-operation with the PTA; homecoming, pep assemblies, sock hops, coat checks, and the American Field Service (AFS) program.

Financing the AFS program consisted of promoting an AFS fund-raising week. Activities included color-day, share day, and a Sadie Hawkins dance.

Newcomers on the BGHS activity scene this year were the AFS program and the homecoming.

Elena Candia, a senior student from Lima, Peru, was the first exchange student on the new program. Elena lived with Mr. and Mrs. James Page of Bowling Green.

For the second consecutive year, this Student Council hosted the Spring East Missouri (EMO) Conference meeting. Bowling Green was president of the EMO this year. An EMO exchange day was held with Vandalia and BGHS being exchange partners.

New officers were elected after a week of vigorous campaigning. Both sets of officers and Elena attended the Missouri Association of Student Councils' Conference at Kansas City, March 16-18. Principal George Nienhueser and sponsor, Mrs. Katherine Motley accompanied the group.

# Sales Reach New Peak After

## Newspaper . . .

A 21-member staff, the largest in publications history, wrote, researched, and processed the BOBCASTER, which is published weekly in the Bowling Green TIMES, and assembled the 1967 Speaker.

No journalism class was held this year, so all of the publications work was done during seventh period plus many extra hours put in by staff members.

Last year's BOBCASTER rated its first Special Excellent in Missouri Interscholastic Press Association competition, and was ranked number one in the state.

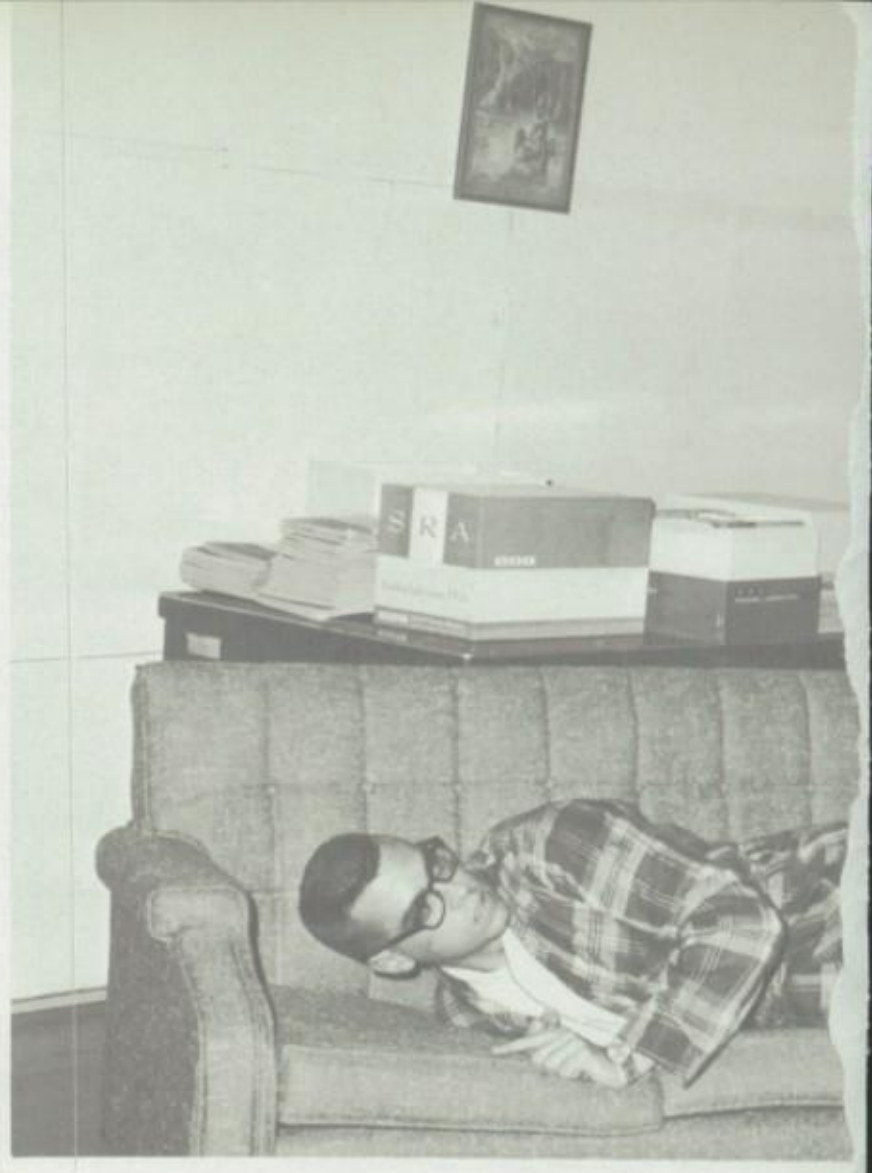
# Good Year

## Yearbook . . .

Six veteran members of the Publications Staff attended a workshop at Missouri University June 26-July 3, 1966. During the school year, several members attended an MIPA convention where the 1966 Speaker was rated 10th place yearbook in the state.

Topping last year's sales, the 364 1967 books will be distributed at an annual autograph party in August.

Held at the end of the summer, the party is a reunion for students who reminisce through the pages of their new books.



Sixteen seniors presented the three-act play, "Rest Assured" April 28 in the high school auditorium. The plot of the play revolved around selfish and self-centered Mr. Morlock, who complained about money problems and his unappreciative family. Worst of all Mr. Morlock will not let his daughter, Mary, be-

Students at Bowling Green High School have many opportunities to "make their marks" scholastically, athletically, and socially. Ways in which students may attain certain honors are by lettering, by being outstanding in studies or by being a courteous outstanding person.

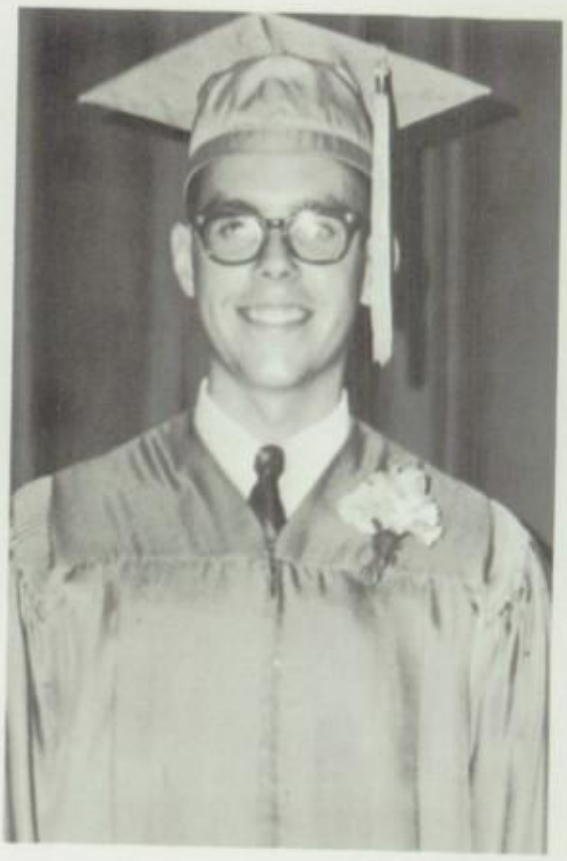
No matter if a student is especially active in one of his fields of interest or in all of them he will gain from his experiences in high school. A student whose major interest is music may devote his time entirely to this art slighting such activities as sports, clubs or special academic courses.

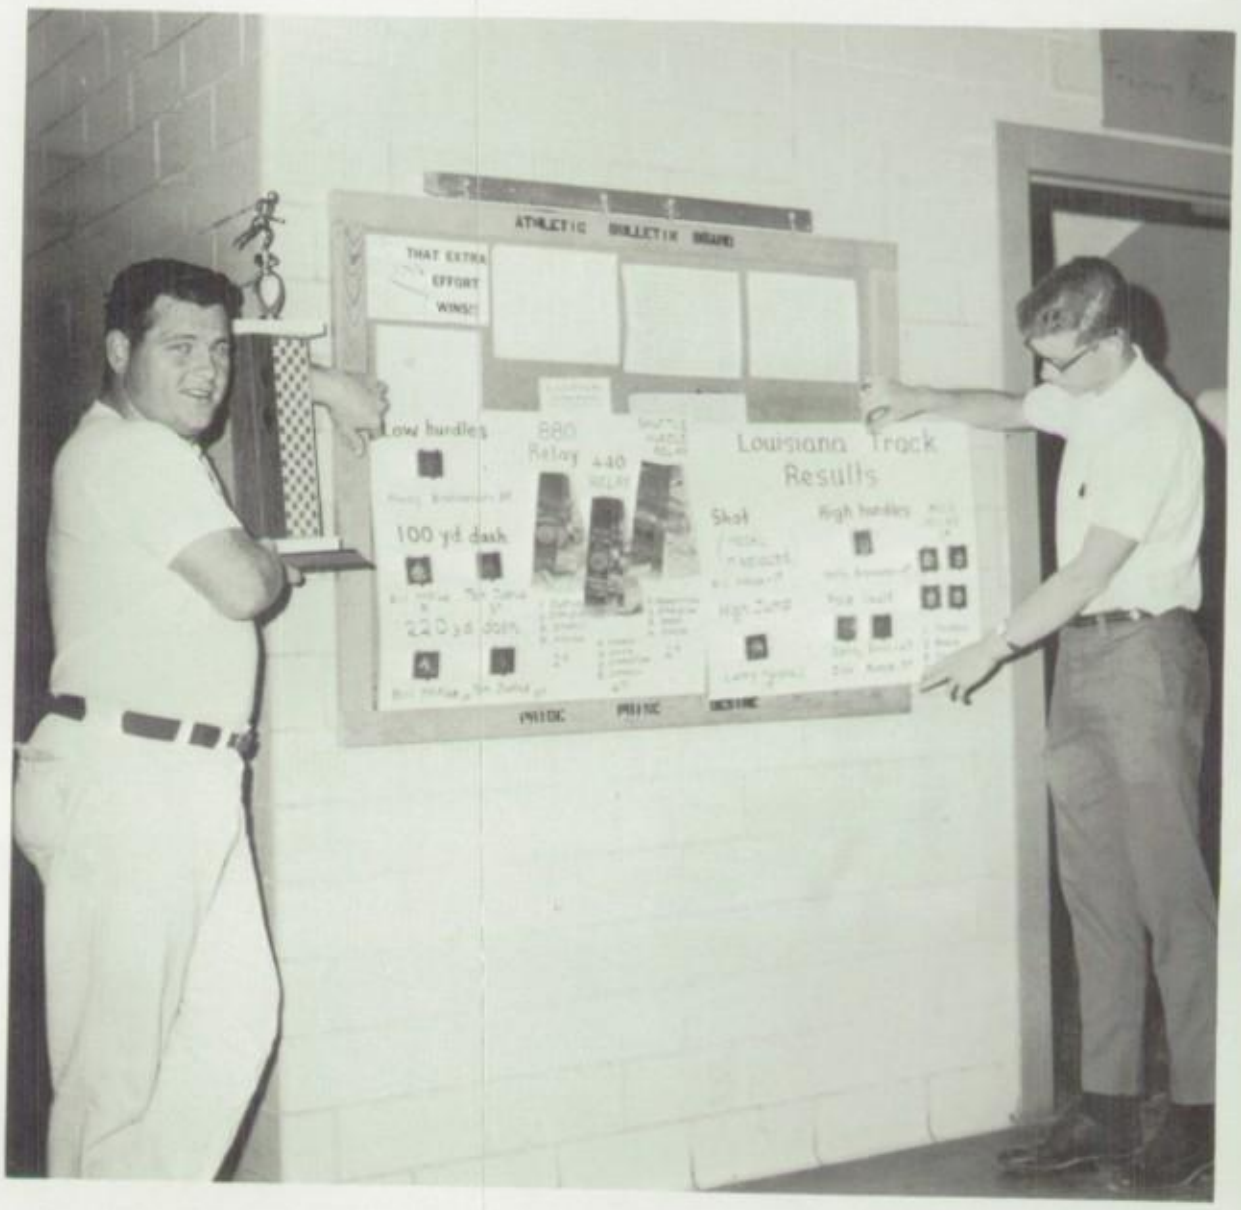
Many students set goals for themselves during their high schools years. Whether this means scoring the highest on the constitution test, breaking the broad jump record, getting a I rating on a piano solo, or selling a prize hog, all depends on the individual.

A student acquires a letter in many different ways. The letter usually represents outstanding achievements of a person, and certain qualifications are required before earning the letter. A letter in the sports field may be acheived in: baseball basketball, track, football or by participating in the intermural program.

Pep squad and band are organizations which offer students an opportunity to letter. Many individual awards are given to deserving students. A few of these are: Girls and Boys State, Sophomore Pilgramage, John Phillip Sousa award, athletic awards, FFA public speaking, and student of the month. A student may also letter if he makes the honor roll all four quarters, and after doing this he may also be considered for the National Honor Society.

A surprise birthday party was held for Elena Candia at an all-school assembly to help celebrate her 17th birthday.

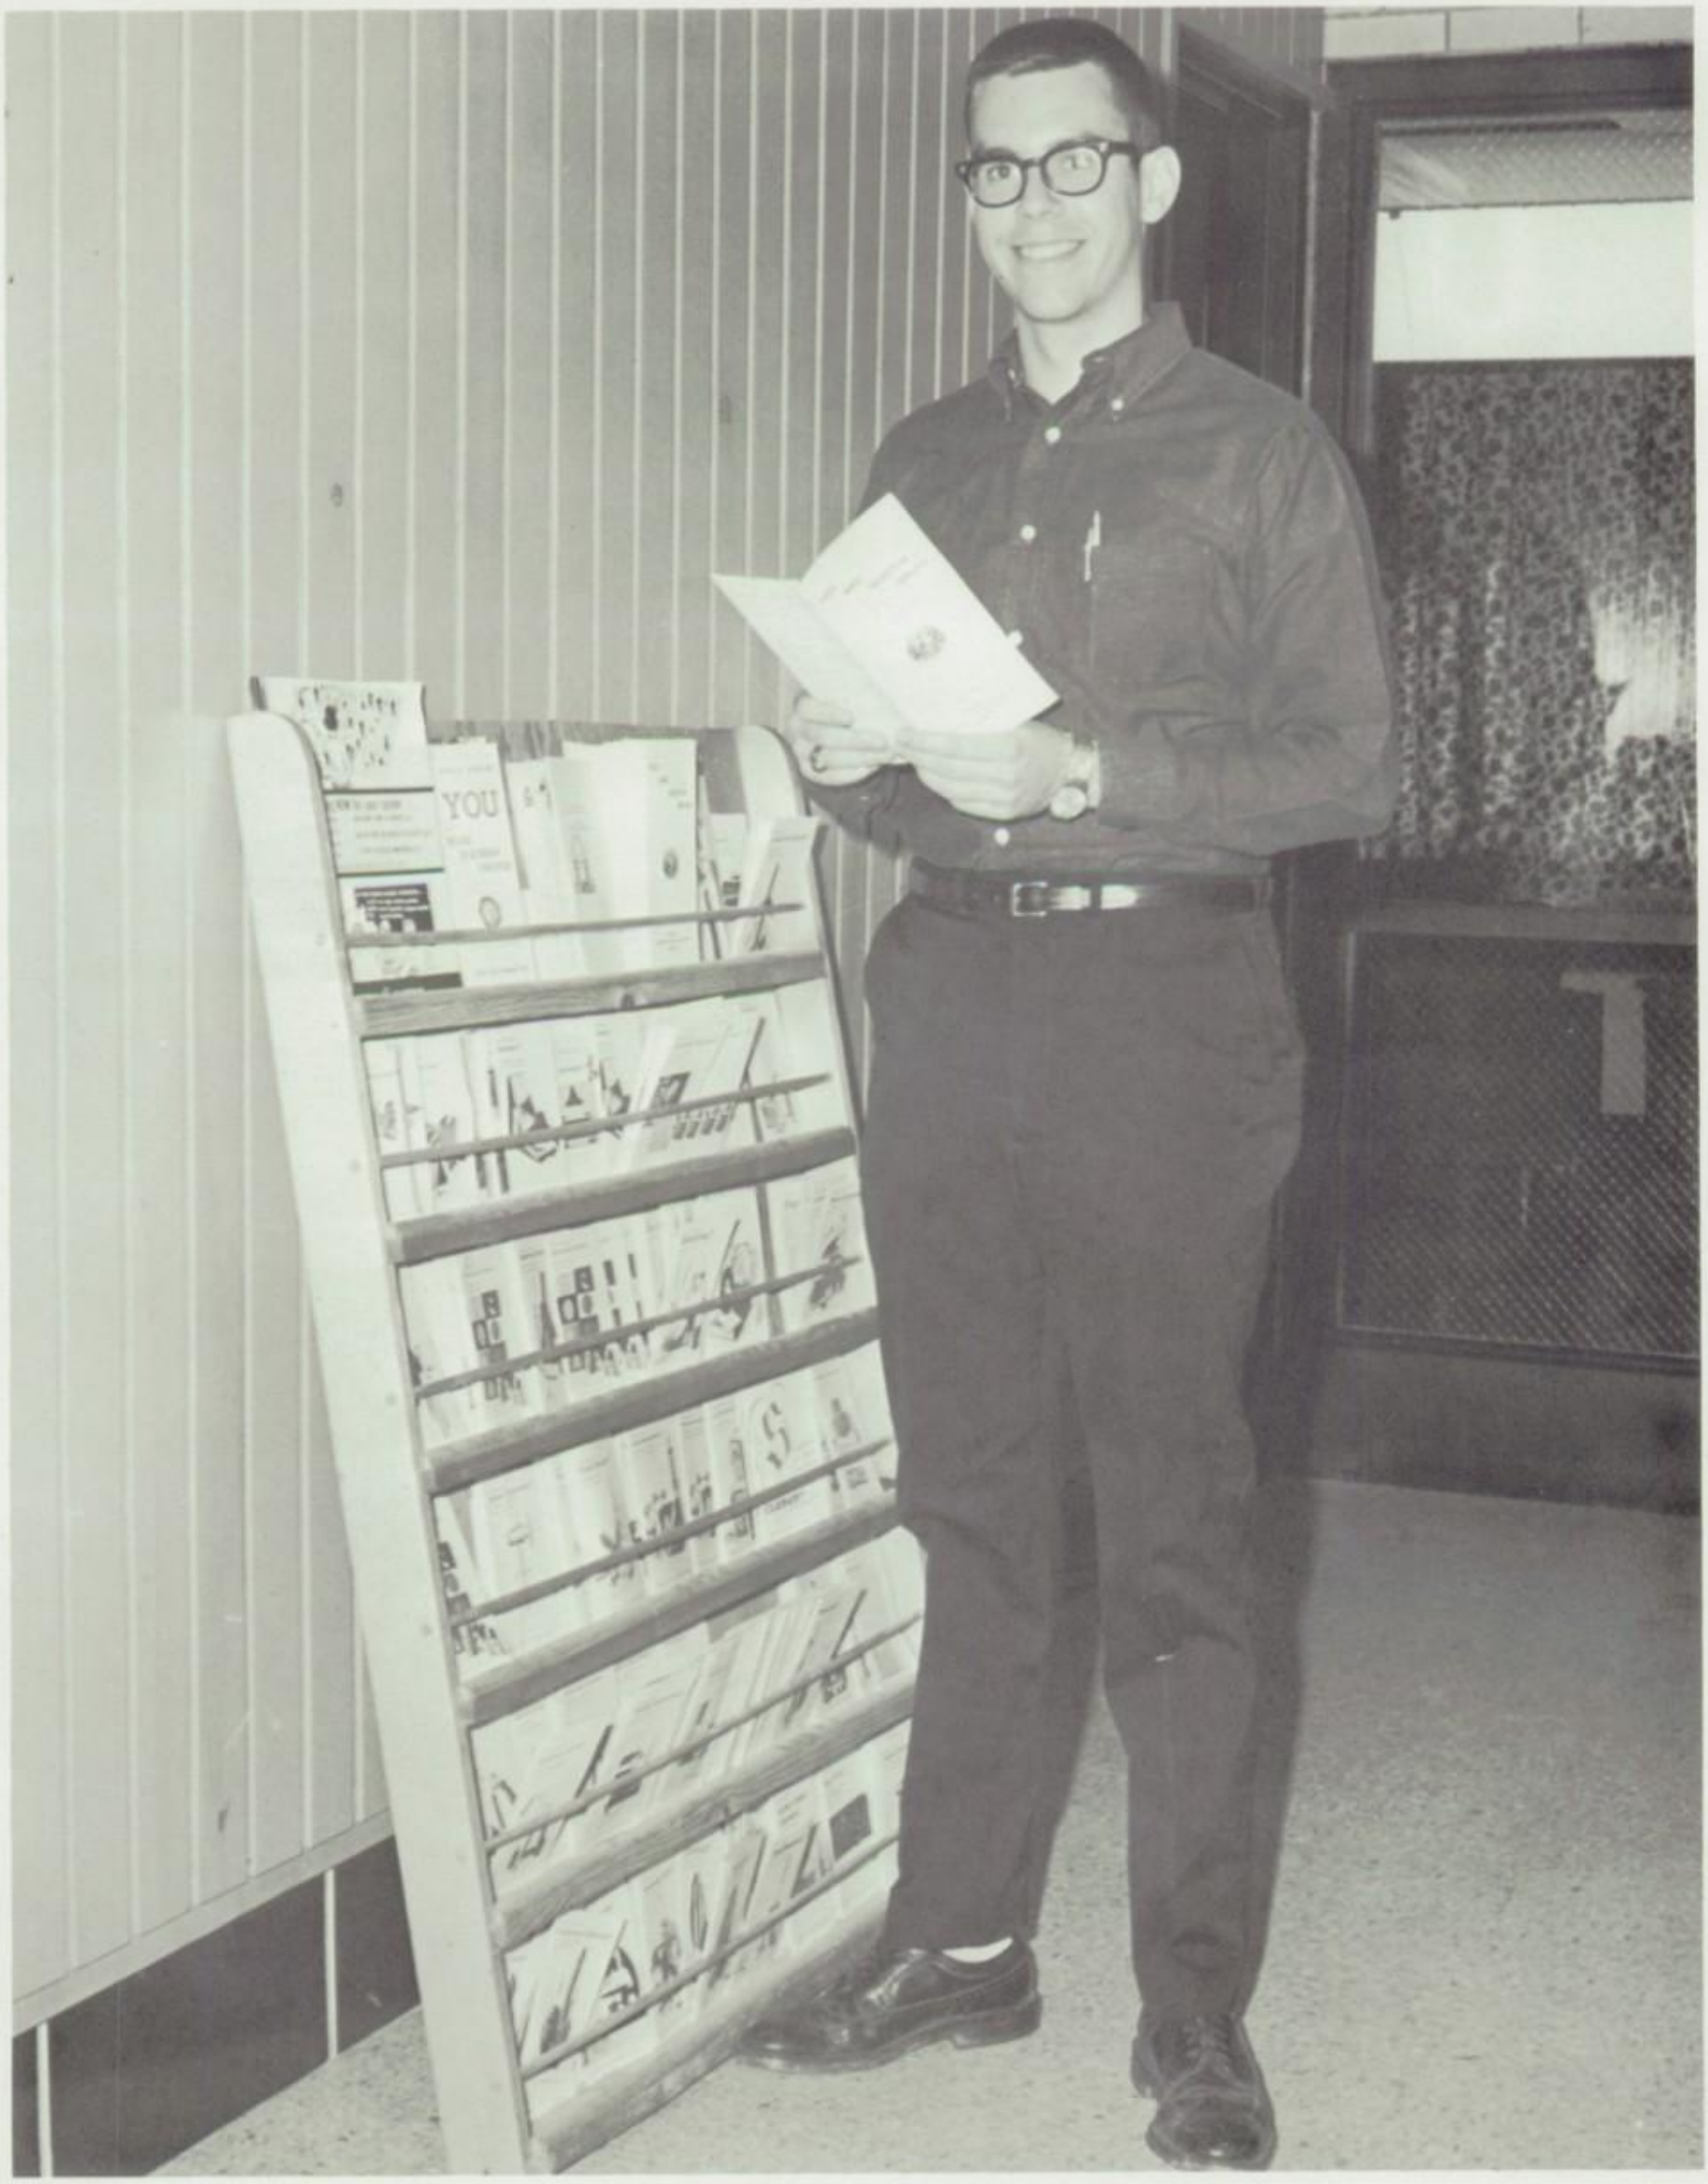




Fourteen medals, 8 firsts and 12 ribbons were brought home when Coach Rockne Calhoun's trackmen won the La. Invitational meet for the first time.

Larry Grinstead, Mr. BGHS and Valedictorian, also won a Rotary scholarship, PTA top grade on constitution award and the $10 Grace Bankhead top grade in American History award.

# HONORS



Miss BGHS, Amy Deters, was chosen by high school faculty on the basis of scholarship and depth and scope of her participation in school activities for the past four years.

# May 25 Awards Assembly Climaxes Year; A School Salutes Its Best

Instead of the traditional yearbook king and queen, the yearbook staff again chose to give full-page pictures to students who had contributed greatly to BGHS.

Larry Grinstead and Amy Deters were chosen by the faculty to be known as Mr. and Miss BGHS of 1967. Scholarship, depth and scope of participation in activities for the past four years were considered. (See Senior Directory for their Activities.)

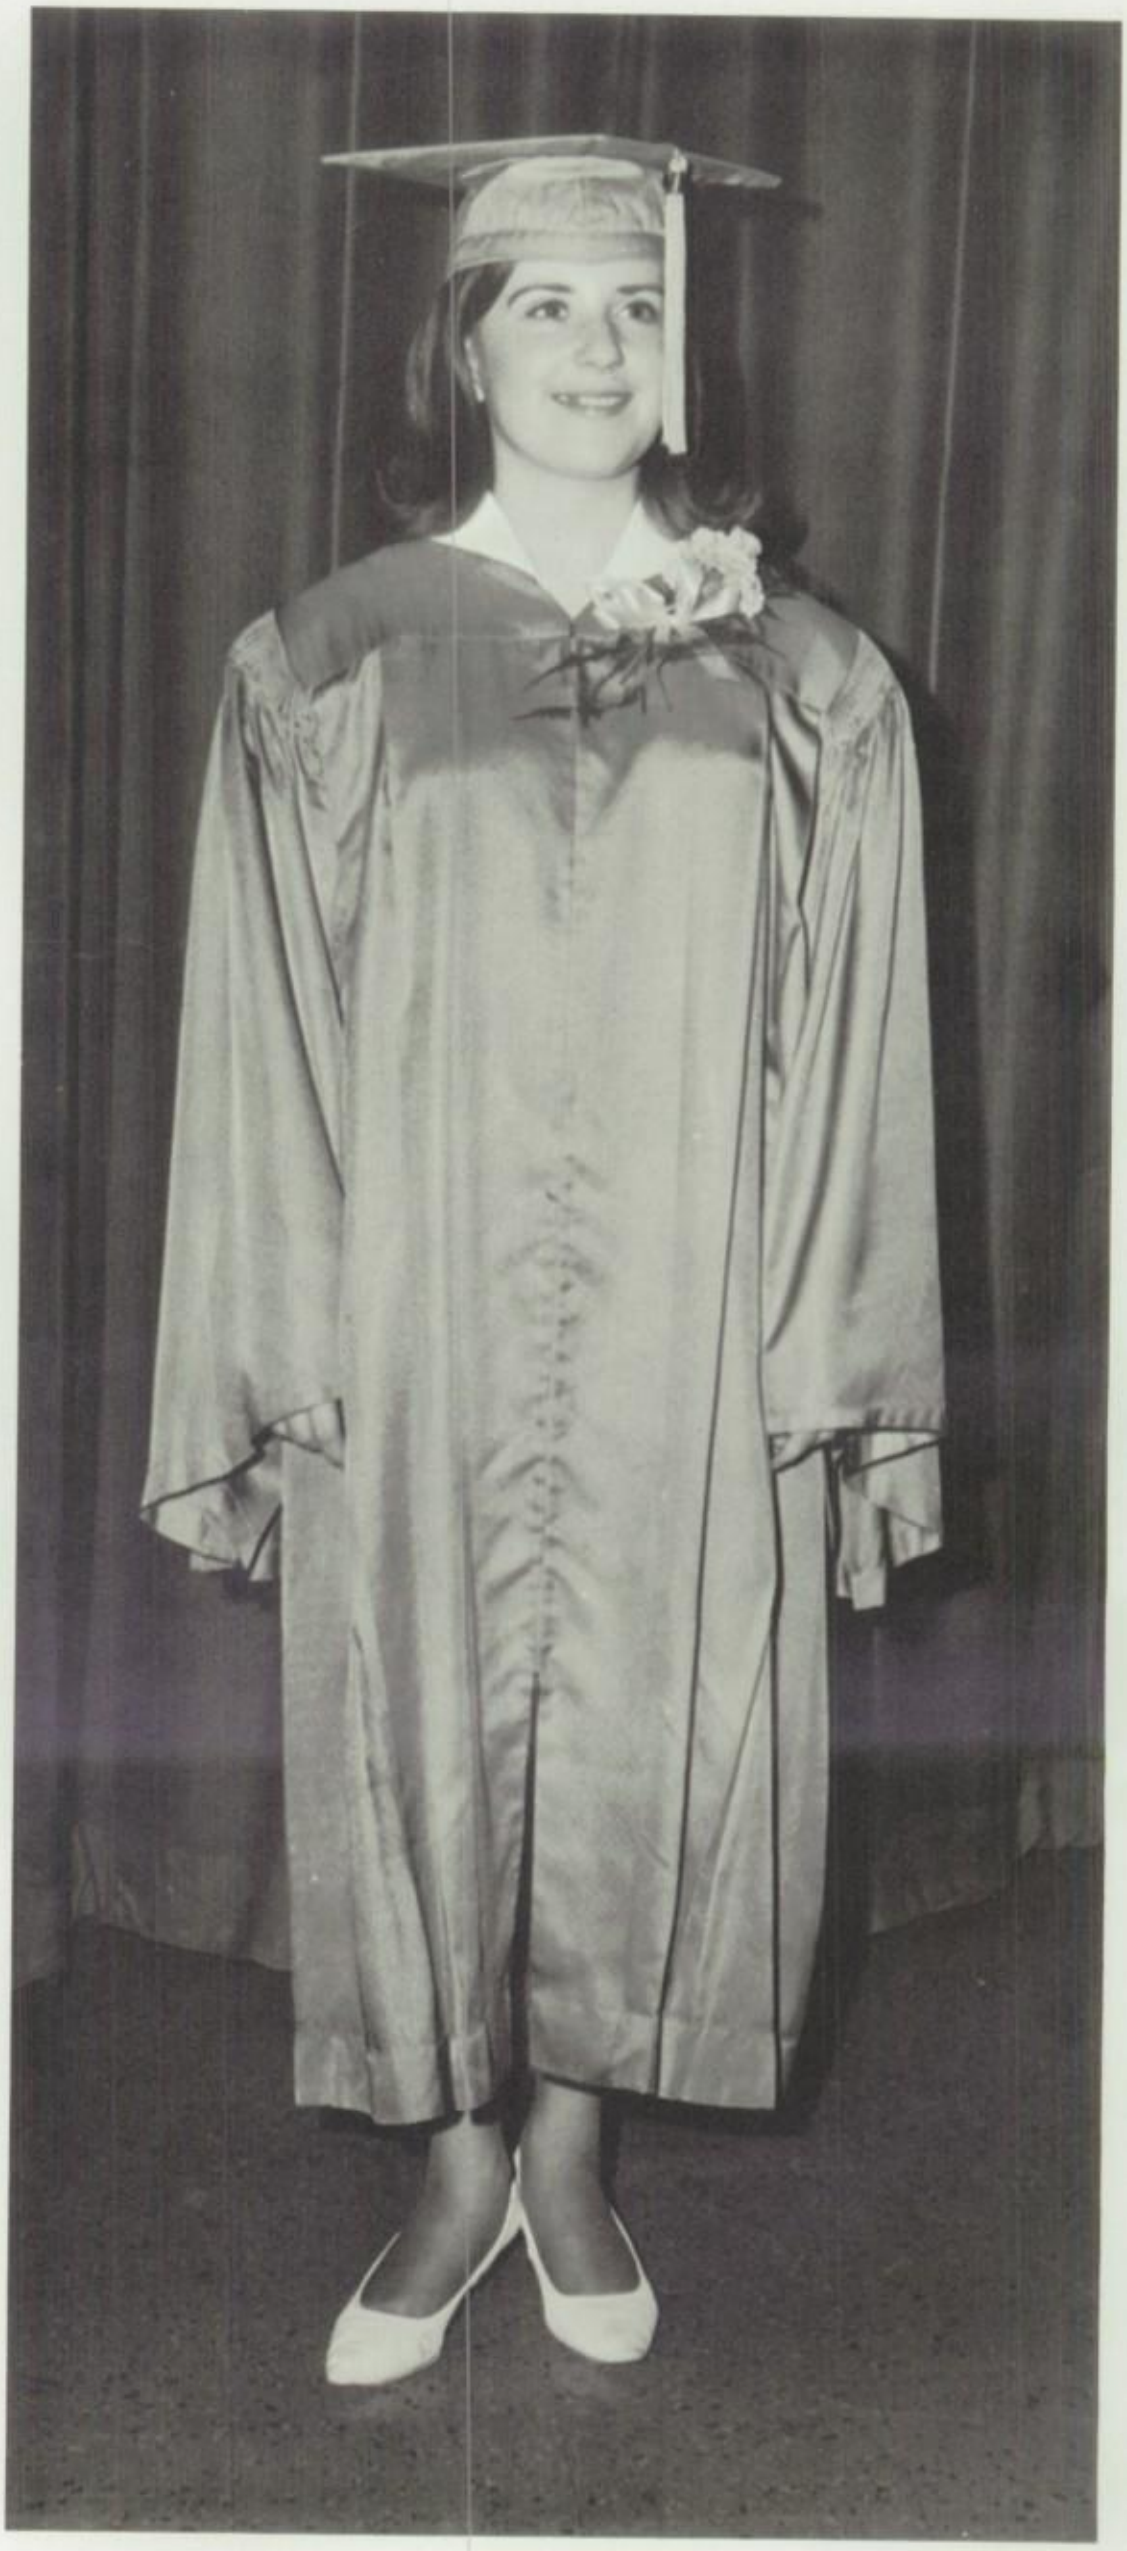
Officers for the 1966-67 season were: president—David Orf, vice-president—Danny Stapleton, secretary—Paula Orf, and treasurer—Jean Daugherty.

Jean Daugherty and Danny Stapleton were chosen by the faculty for participation awards.

Jean has been a cheerleader for 4 years and active in intramurals and music. She was a member of the National Honor Society, in both the class play casts and a Biology Club member.

Danny lettered in track four years, and lettered in cross country one year. Danny was yearbook editor, junior & senior class treasurers and in the jr. play cast. He was also in the NHS.



Kathy Dean won a $1,000 scholarship to Webster College.

Amy Deters won the Knights of Columbus Scholarship and a 4-H scholarship totaling over $600.

Seniors Alicia Boston and Danny Lewis were honored as DAR Good Citizens. Alicia received a pin and Danny a medal. These students were chosen because they displayed qualities of honor, service, courage, leadership and patriotism. Left Alicia Boston was named salutatorian of her class. She ranked second in a class of 111 to earn the honor.

# May 25, 1967 Brings First Diploma

1963-64 was really not such a different year except for the 120 freshmen who entered the new world of high school life at BG. These students came from BG, Curryville, Frankford & small elementary schools. Although not too active their first year, the freshmen got their first taste of class organization with the election of officers: Larry Grinstead—pres., Danny Lewis—v. pres., Donna Whitten—sec'y, & Susan Chapman—treas.

Becoming sophomores in the 1965-'65 school year, the classmates enjoyed a class party organized by officers: Amy Deters, pres.; David Orf—v. pres.; Danny Lewis—sec'y.; and Susan Chapman, treas.

Stepping up to upper-classmen in 1965-'66, the "jolly, jolly juniors" really began to show some action; 105 juniors participated in the magazine sales and sold $3,565.30 with a net of $1,375.42. Class rings were received in Dec; on Oct. 17 juniors presented the play: "And Came the Spring. All money-making projects were directed towards financing the prom, which the juniors gave in May.

Returning to BG in the fall of 1966 for their last year, BGHS seniors began to plan their trip. To raise money, senior boys presented the "womanless wedding." Sixty-four seniors traveled on an all-week tour of Wash. D.C. & N.Y.

Finally came graduation, ending 12 years of schooling; 37% of the class will further their education, while others will find jobs, go to the service or get married. (By Jean Daugherty)

Better known as "Bobcat Land," this school has one of the best intramural and all-around sports programs in the area.

Baseball, A basketball, cross-country, and track are varsity sports. B basketball, track and the newly organized football program are open to junior varsity students. A separate basketball squad is open to feshmen. Within the next few years, a varsity football team will be started.

The season starts early at BGHS, with baseball practice beginning two weeks before school begins. Track season runs until mid-May. During the long interim, the intramural program is opened to all students and others participate in pep squad or pep band.

Intramurals, offered under the leadership of Athletic Director James Wilson, provides individual, dual, and team sports and also gives students a chance to earn a school letter. This year's agenda included basketball, football, volleyball, table and paddle tennis, ping pong, and badminton.

In his first year as head coach, Gary Wacker worked with the A and B basketball teams and baseball. Rockne Calhoun was head football and track coach; Jim Armstrong was freshman basketball and cross country coach and also assisted Mr. Wacker.

Approximately 100 boys competed in the sports offered this year, with many participating in more than one area. Two track teams had the largest number with approximately 40. The football team had 25 boys, and the three basketball teams carried 33 members. Cross country and the baseball teams had about 12 players each.

Compiling a 5—2 over all and a 4—2 conference record, the baseball team tied for second place in the East Missouri (EMO) race. Junior, Dick Basye, who led the Bobcats in runs batted in and tied for the most hits, was named to the center field position on the EMO all-conference team. Dick batted .429 and also pitched a 2—0 record.

Bill McPike led the team in batting with a .474 average and posted a 3—2 pitching record. The team batting average was .270.

Sonny Carroll stretches his 6'1" to its maximum to dig up a low throw in time to nip a Van-Far baserunner.

Bill McPike puts every ounce of strength into his swing as he pulls for a homer.

# Gridiron Sport Invades Basketball School

For the first time in BGHS history, football was added to the sports program. One high school team and one junior high school team started playing this year. The high school group was on the junior varsity level and the freshmen and sophomores had a 2—2 season.

Building a football field is the problem under consideration. Last year's games were all played away from home because of the lack of a stadium on the Bowling Green campus.

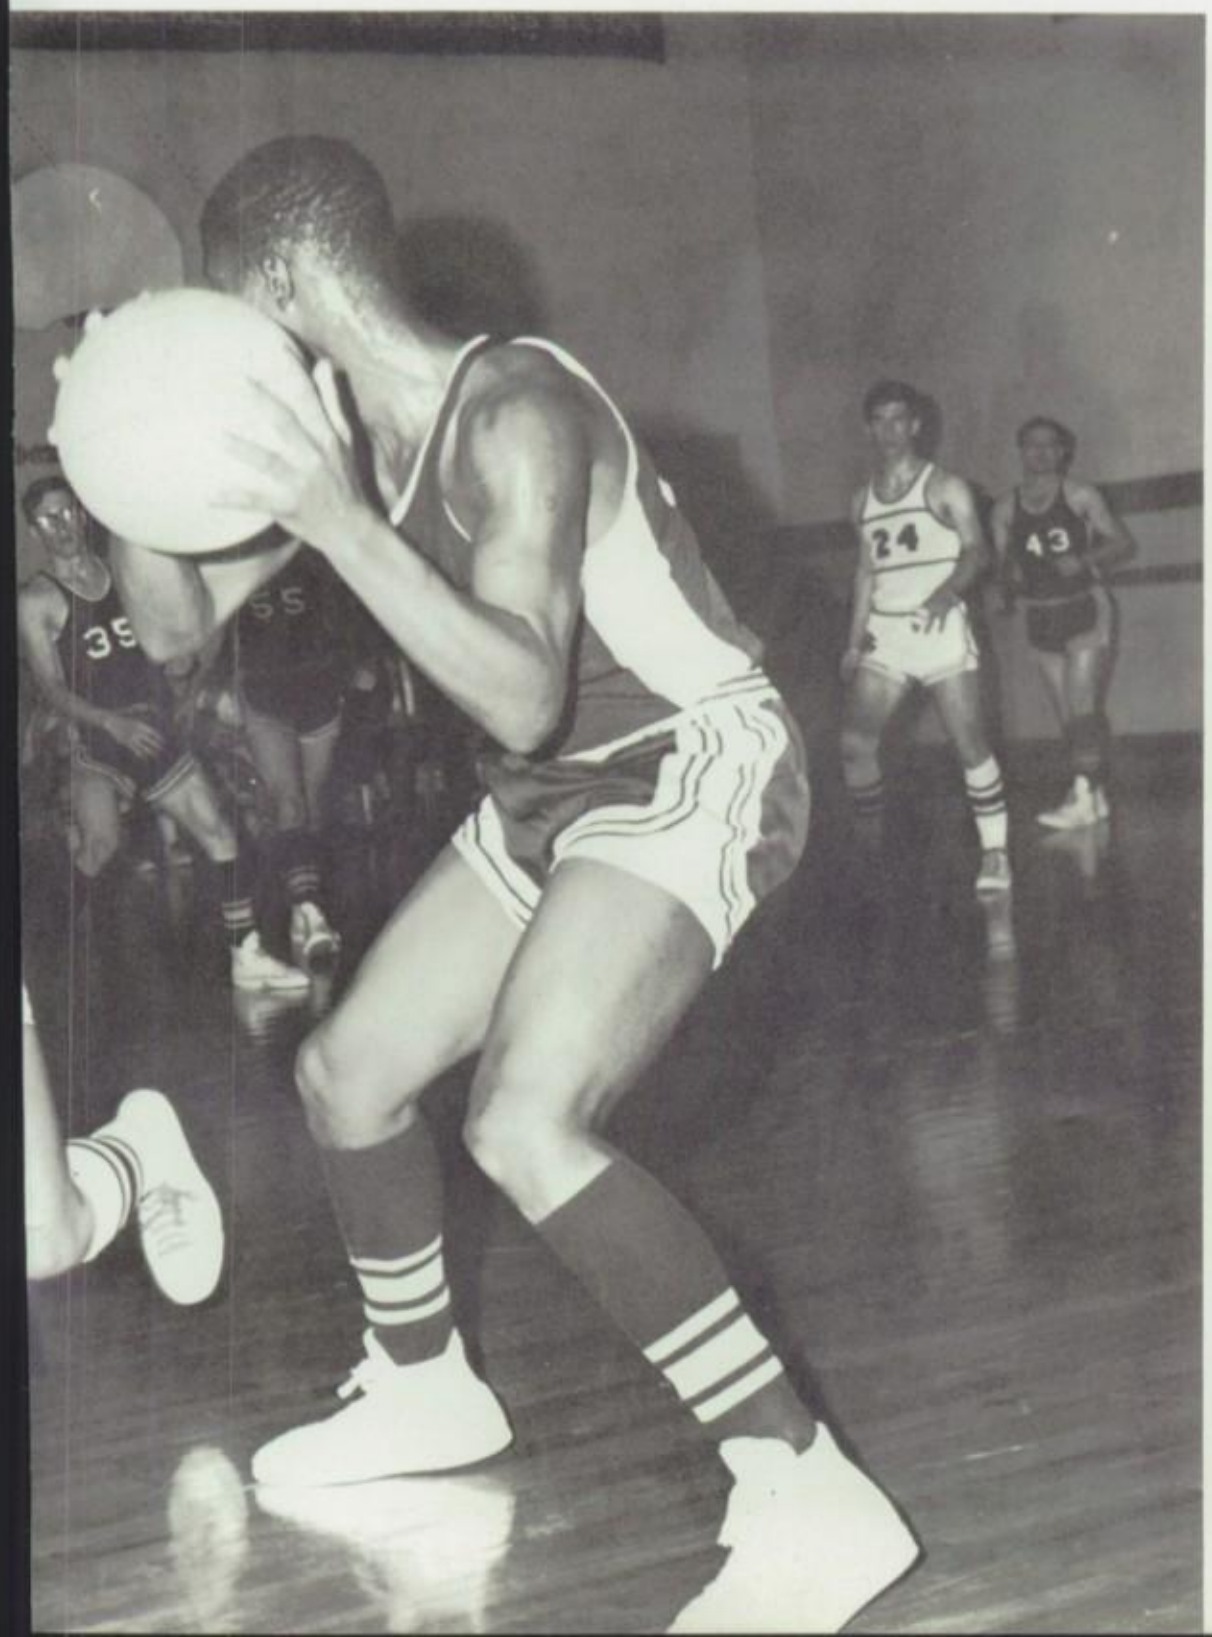
# Tie for EMO 2nd

Coach Wacker congratulates players after win in Bowling Green Tourney. Two leading rebounders, Basye, (12) and McPike (42) "battle the boards." Phil Harris set a record for assists with 119 but drives for the basket this time. Harris shows the Bobcat scrap Terry Flood, Bobcat leading scorer with a 12.6 average "lays in" two more (lower left).



# Wacker's 1st Varsity Team Records 26—5;

# Defense Strong

The strong defensive team held the opposition to 46.7 while scoring 57.5 points per game.

Buddy Kattelmann led the team in field goal accuracy hitting 19 of 38 for 61.3 per game. Bill McPike was next with 136 out of 266 for 51.1 percentage.

Kattelmann also led in free throw percentage with 22 of 31 for 71 percent while Phil Harris was a close second with 72 out of 103 for 69.8 percent.

Flood and senior Bill Mcpike were elected to the all district team and were given honorable mention to the all state team.

Season's highlights were a 71—49 victory over Fulton in the school's first homecoming game, a 52—51 victory over Van-Far in tournament championship games, a tie with Van-Far for second place in the Conference race, a trip to Kansas City for the NAIA college tournament and a broken glass backboard.

# Pep Squad Begins

Fifty-eight girls made up the Bobcat's pep squad. Cheering their team on to four tournament victories, these girls displayed their loyalty and support to the school.

"Something new" on the agenda was choosing "A" cheerleaders last May in time for the summer cheerleading clinic at Kirksville, routines and yells were brought home for the "67" rooters.

They planned and prepared the annual Athletic Banquet, donated $60 to the AFS fund, sold raffle tickets and donated hankies to help finance football field lights for 1968 and took an active part in at least six pep rallies.

Traditional BG tournament plans included homemade candy, coronation, hostess, queen, and decoration committees. Decorations consisted of cut-out players shooting basketballs, emblems representing each school and a welcome sign made by pep squad members.

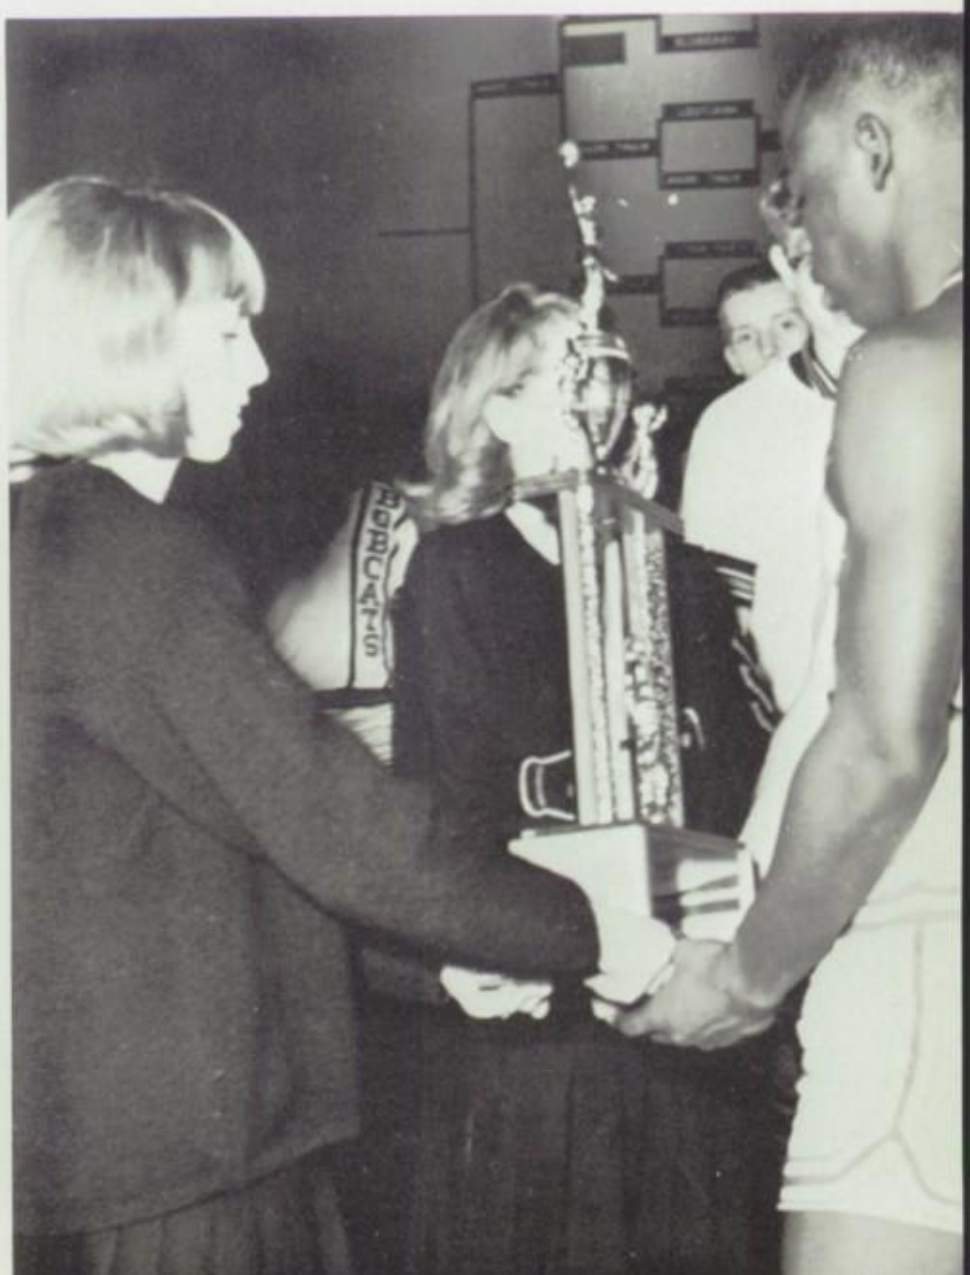
# Spring Elections



# Kittens Take Tourney Second

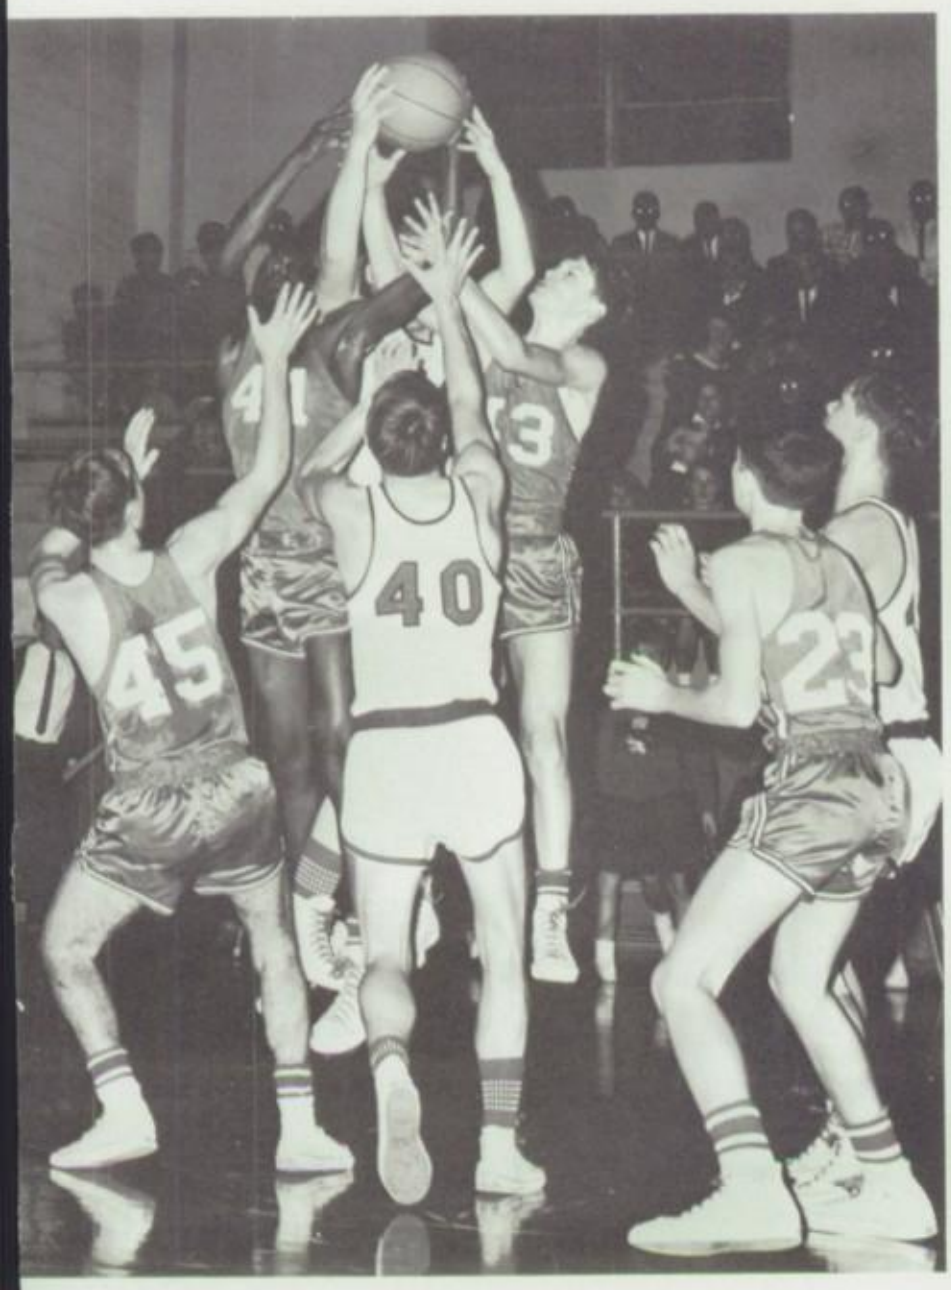
The jr. varsity Kittens completed the season with an 18 won, 3 lost record, losing only to Montgomery, Van-Far, and Hannibal. They finished in first place in the EMO conference with a 13—1 record and were defeated in the championship game of the conference "B" team tourney at Wellsville.

Sophomore Ron Raney led the Kittens in scoring with 330 points for a 15.8 game average. Danny Feldmann scored 227 points to average 10.8 and Bob Rathburn 218 for 10.3.

Centers Sonny Carroll and Tom Justus led in rebounding with 106, Dan Feldmann grabbed 104 and Ron Raney 94.

Sonny Carroll was the leading field goal shooter with 22 of 44 for 50 percent. Dan Feldmann had 97 of 196 for 49.4 and Bob Rathburn 84 of 173 for 48.5.

Bob Rathburn hit 50 out of 78 free throws (61.4%) to lead the team; Feldmann hit 33 of 56 (58.9%).



"Two on one, not fair,: groans Sonny Carroll as he goes high amidst elbows and shoulders to bring the ball down for the kittens. "I'll take it," says Bob Rathburn to Mike Beddie in an action packed B-game. Junior varsity players Tom Justus and Willis Straube make sure the kittens keep the ball in this scramble as teammate Dan Feldmann looks on.

# Team Gets New Coach

The Freshmen team came under new leadership this year as Mr. James Armstrong took over this responsibility for new head coach Gary Wacker.

Mr. Armstrong graduated from Central Methodist College at Fayette, Missouri where he majored in Physical Education and a minor in Business Education.

In addition to working with the Freshmen team, Coach Armstrong also led the seventh and eighth teams.

Ronnie Colbert, with about an eight point average per game, was the leading scorer. Billy Harness was a close second.

David Grote led the team in rebounds. Ronnie Colbert, Dennis McMillen and Roger Morris were the next best rebounders.

A four won, five lost record was compiled by the Freshmen who defeated Montgomery City twice, Troy and Wellsville once each.

Physical activity of BGHS centers around these three programs: physical education, physical fitness and intramurals.

The first two are conducted on a compulsory basis. Intramurals is a voluntary program under the direction of Coach James Wilson.

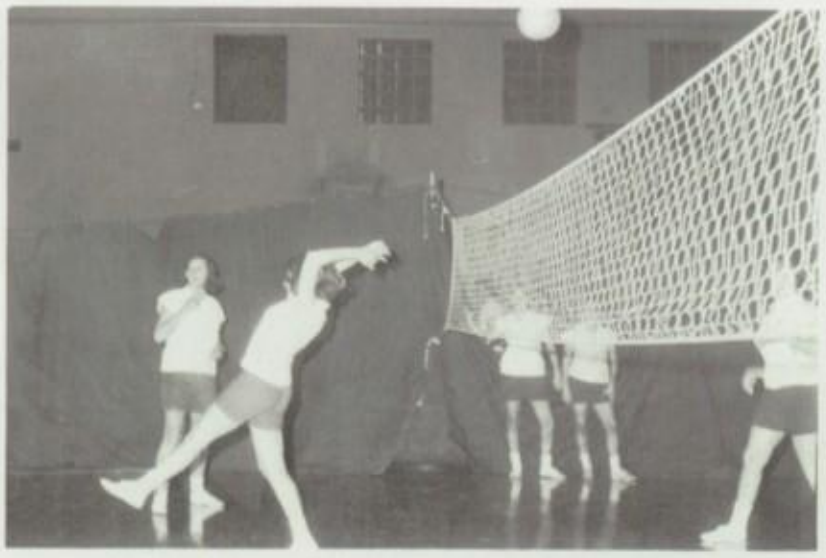
Physical education classes meet daily. Activities in this program include; volleyball, basketball, Indian dodge ball, ping-pong, badminton, and paddle tennis. Credits are 1/4 per year and 1 full credit is necessary for graduation.

Intramural sports offered this year at BG were Basketball, Volleyball, Indian Dodgeball, (for girls), Paddle Tennis, Badminton, Table Tennis, and football (for boys).

Boys' Volleyball was won this year by John Baker's team. Second place was taken by Bruce Storts, third by Danny Scherder and fourth place by Junior Shepherd.

# Participation Is Still Strong

# Dodgeball, Volleyball Players'



The first place teams in intramurals earn 65 points for each individual; second place teams receive 60 points each; third place teams receive 55; fourth place teams receive 50 per individual. In order for a person to "letter" in intramurals he must earn 200 points during the school year.

Six girls' intramural basketball teams participated: four placed. Cathy Williams' teams took first place and Martha Barnett's ran a close second place.

Boys Football Intramurals and Girls' Indian Dodgeball were also part of the Intramural sports held at the high school.

In the boys flag-football, there were only two teams. Their captains were Danny Scherder and Steve King.

Girls' Basketball Champions were Debbie Stark, Cathy Williams, Cathy Erickson, Judy Kniess, Ruth Butler, Myrna Clark, and Marilyn Salfen. Below are the Girls' Indian Dodge Ball Champions: Sharon Rogers, Deborah Branstetter, Barbara Korte, Judy Betz, Linda Brewster, Juanita Morris, Lin-

Flag football is played by each team player wearing a flag in the back of his gym shorts and when the flag is pulled out by an opposite team member, it counts as a tackle.

Girl's Indian Dodge Ball proved itself this year when there was enough signed up for it to equal nine teams. Out of the nine Juanita Morris's team took first place, Lois Cragen second; Debbie Stark third, and Karen Straube's team took fourth place in the intramurals.

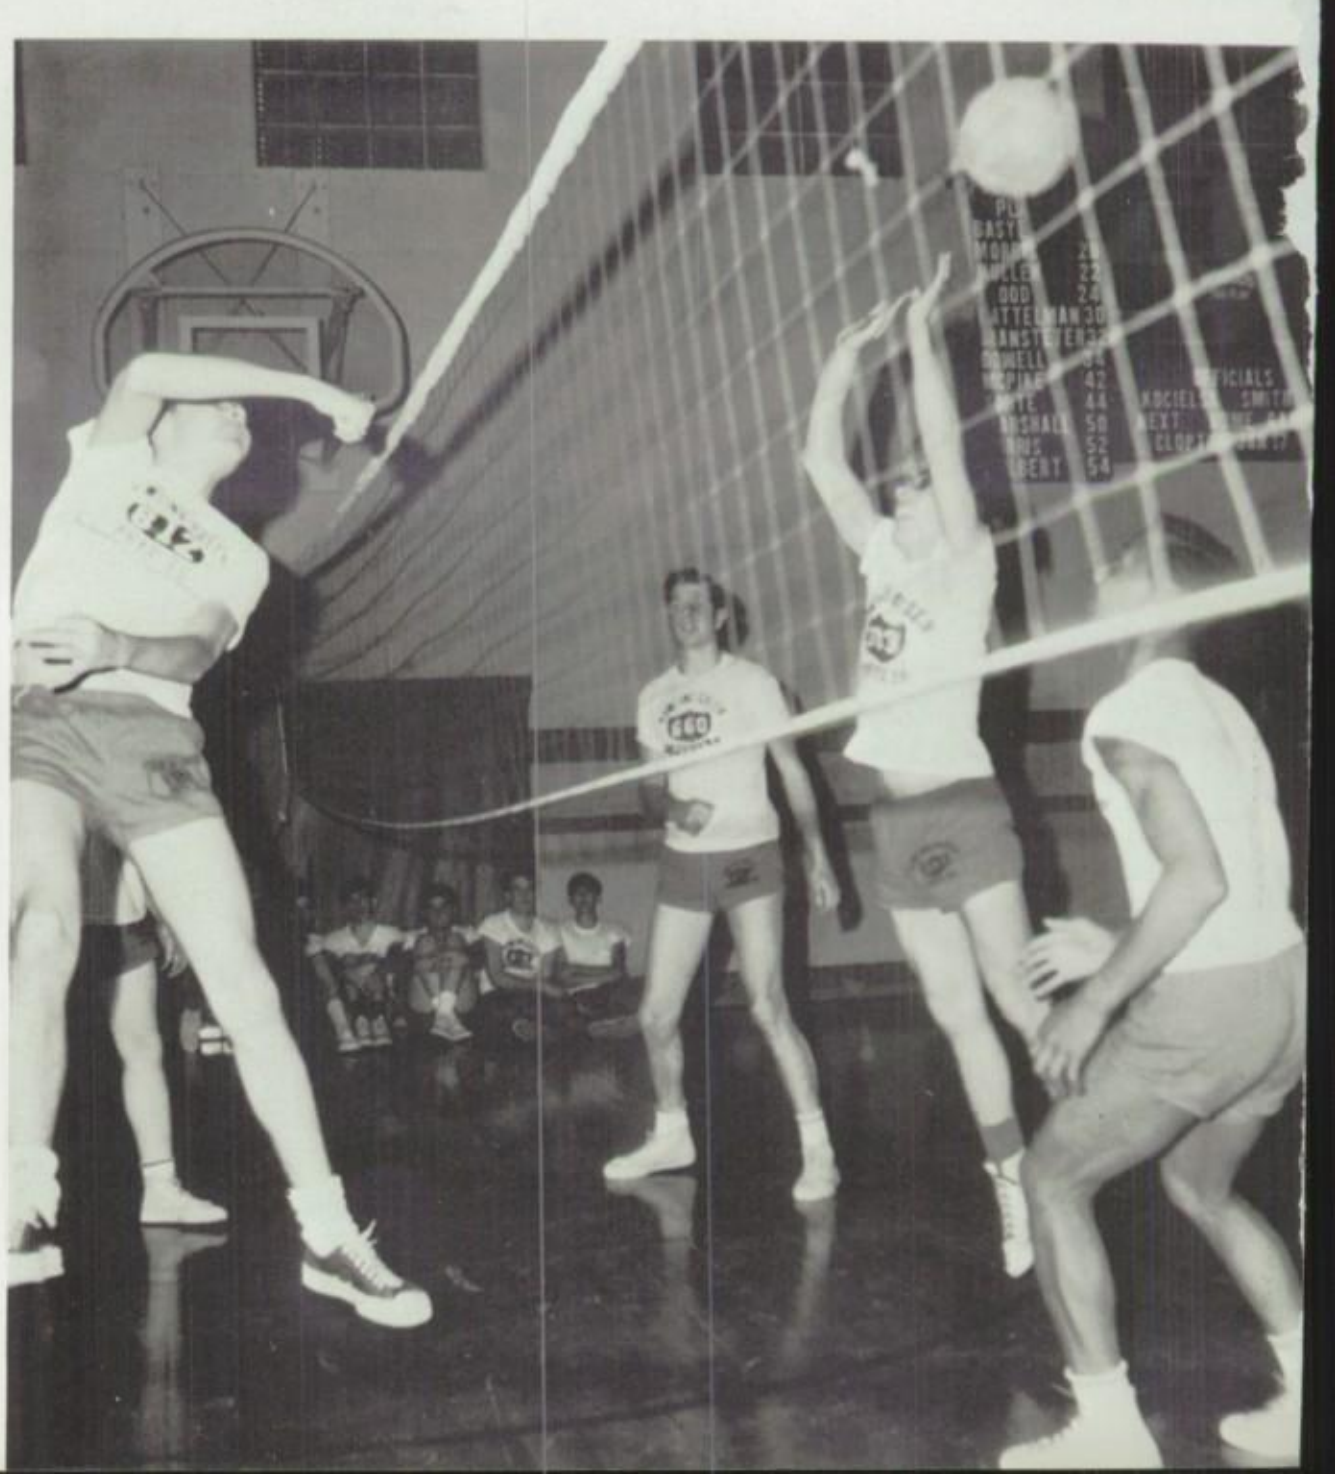
# Considering Girls' Track Team

## Program versatile

All kinds of exercise equipment is available. Floyd Dowell (upper left) and Danny Scherder try their gymnastic ability.

Volleyball drew many participants. John Baker (812), David Orf (660), Jim Edmond (313) and Junior Shepherd are engaged in a typical bout.

One "first" for the athletic department was the formation of a girls' track team which competed in a meet at Louisiana on May 11 and placed fifth out of six teams.



# Dodgeball champs

Girls' Indian Dodge Ball proved itself this year, when nine teams signed up to play.

Juanita Morris' team took 1st; Lois Cragen's group 2nd; Debbit Stark and crew won 3rd; and Karen Straube's "dodgers" took 4th.

First-place winners are (**BACK ROW**) Wanda Orf, Becky Sanderson, Shirley Orf, Linda Brewster, Dorothy Scherder, and Paula Orf; (**FRONT**) Barb Jenkins, Marilyn Salfen, Juanita Morris, Joy Miller, and Shelia Knock.

# Top cagers

In boys' basketball, eight teams were chosen. Of these groups, Bill Couch pushed his team to 1st place. Following this group were David Orf's 2nd; Danny Scherder's 3rd; and Danny Lewis's 4th.

Winning team members are Larry Finley, Bill Ingram, Bill Couch, Bob O'Donnell, Ronnie Ingram, Mike Betz, Larry Moore, and Luther Butler.

Bobcat trackmen ended the '66-'67 season undefeated, except in two state meets.

Taking first place in the District meet, the Louisiana Invitational and the conference meet at Warrenton sparked the winning season. This marked the first year for the Bobcats to win first place in the district meet.

The season consisted of 17 meets: Two invitationals, two state meets, one qualifying, one district and one conference meet. Conference meets totaled 12.

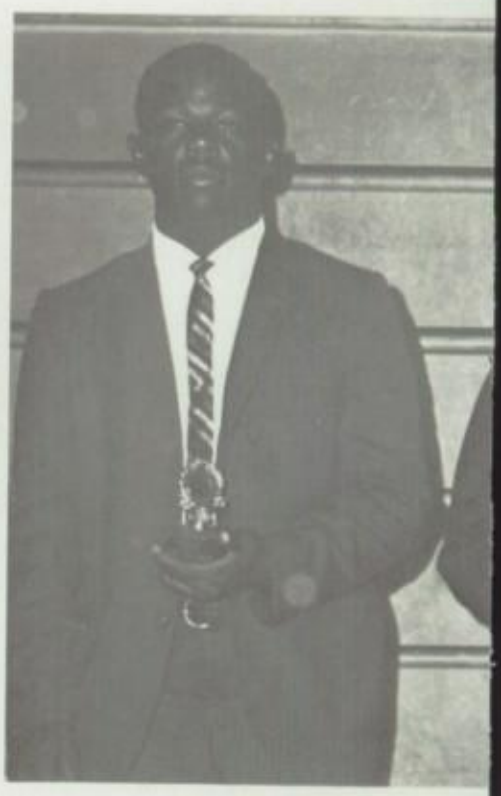
Senior Bill McPike won his second EMO conference trophy as outstanding track performer.

Bill competed in the 100-yard dash, 220-yard dash, shot put, and anchored the 880-relay team. A four-year letterman, Bill went undefeated in the 100 during the regular season.

In the conference meet, Bill placed first in the 100, 220, shot, and anchored the winning 880 team. He also placed first in the district 100 and 220; fourth in the shot; third in the 880 relay.

Bill capped his career by placing first in the 100 at the Mark Twain Relays which included Class L schools. His best times there were: 100-10.2; 220-22.9; shot 47'; 880-relay-1:37.4.



# Banquet Honors Mary

Climaxing pep squad activities for the year was the annual Athletic Banquet.

Coach Wacker presented eight A team and ten Jr. Varsity boys with letters. Managers were also recognized.

Nine boys lettered in baseball. Coach Rockne Calhoun presented 22 boys with football numerals.

Lettering pep squad members attended 80% of the clubs activities. Twenty-one girls received first-year letters and 26 veterans earned chevrons.

Any girl in high school was eligible for Banquet Queen and the entire student body voted. June Couch, a four-year cheerleader was elected Queen with Sharon Kurth 1st; Jean Daugherty 2nd; Elaine Scherder 3rd; and Becky Branstetter 4th attendant.

Five special awards were given to outstanding varsity basketball players. These included: rebounding—Bill McPike (263 rebounds); free throw—Buddy Kattelmann (71% average); defense—Terry Flood and Dick Basye. (Left) Dan Stapleton receives scholarship award.

Mr. Doug Weaver, Former assistant coach at MU and coach at Kansas State, was speaker for the event. Mr. Weaver is presently a law student at Kansas State.

What is a high school? Part of this one was the student body—128 freshmen, 131 sophomores, 108 juniors, and 109 seniors who spent nine months living and learning with fellow students and teachers and making BGHS what it is.

During the 36 months, 720 days, 5040 hours, or 302,400 minutes a student spends in class during four years of high school, he may choose a vocation, plan future education, or make the best of his last formal education.

Expressing individuality is part of high school. Observe the "fads and fashions" of 66-67. Winter trend was toward poor boys, hip-hugger skirts, pastel wools, and figured woolen socks for the girls. Boys favored paisley print shirts and pants, valets and all types of sweaters.

Association with group activity was made possible in many ways. Pep assemblies usually held before home games replaced seventh hour classes; everyone was invited to participate in FHA dress-up day; all-school assemblies brought the student body together.

Learning self-government was all a part of the nearly 100% participation in vigorous campaigning for student council offices and subsequent voting.

Polishing social graces at the Christmas and Sadie Hawkins events was also a part of 1966.

No little attention was given to scholastic achievement with honor roll listings, the possibility of earning a school letter, or National Honor Society membership as available rewards.

Within the next few pages, then, are the many "faces" of BGHS—1966-67.
